

Supplier Capability Questionnaire

Please note - only use Adobe software to open and fill the .pdf file. It is important to keep the file in the original format - dividing/re-combining/modifying the file format will prevent the data from being uploaded to our database.

Thank you for helping us have a better understanding of your company capabilities. Capabilities indicated should be site-specific.

Return completed questionnaire form to: boeingassessment@boeing.com

Moving Land Based Products (military or commercial vehicles)

Stationary Land Based Products (buildings or stationary radar systems)

Water or Sea Based Products (boats, submarines, etc.)

Other (please describe)

Primary Business Model

Yes / No	Does your company provide:	Additional Comments:
	Low Volume Production Components/Assemblies (such as military items)	
	High Volume Production Components/Assemblies (items found in commercial aircraft or automotive)	
	Low Volume Product Support (such as MRO for military)	
	High Volume Product Support (such as MRO for commercial aircraft)	
	Prototyping	
	Spares Components/Assemblies	
	Research & Development	
	Support Services	
	Other Non-Production (please describe)	

Approved Certifications

Yes / No / Pending	Description:	Related Information / Certification Details / Revision (If pending, expected completion date)
	ISO9001 approved	
	AS9100 or equivalent approval (such as EN9100, JISQ9100, NBR15100)	
	AS9110 approved	
	AS9102 approved	
	ISO14001 approved	
	NADCAP Certified - Please specify which process(es)	
	Federal Aviation Administration: FAA Certification (Provide Number)	
	European Aviation Safety Agency: EASA (Provide Number)	
	Civil Aviation Administration of China : CAAC (Provide Number)	
	General Civil Aviation Authority: GCAA (Provide Number)	
	Other (please describe)	

Business Size and Diversity

Classifications U.S. Classifications

Yes / No	Is your company classified as (please mark all that apply):	Additional Comments:
	Large Business (more than 250 employees)	
	Medium Business (50-250 employees)	

Small Business (50 or fewer employees)

Micro Business (fewer than 25 employees)

Affiliate Member of National Institute for the Blind (NIB)

Affiliate Member of National Institute for the Severely Handicapped (NISH)
(SourceAmerica)

Non-profit Organization

University Or Minority Institution
(HBCU/MI)

US Small Business Classifications:
Please select all that apply.

Please indicate the North American Industry Classification System (NAICS) code(s) that meet the small business threshold status.

Alaska Native Corporations (ANC)

Historically Underutilized Business Zones (HUBZone)- SBA Certified

Minority Owned

Indian Tribes (US Federally Recognized)

Service Disabled Veteran-Owned Small Business

Small Disadvantaged Business (SDB)

Veteran-Owned Small Business (VOSB)

Yes / No	Is your company classified as:	Additional Comments:
	Large Business	
	Small/Medium Business	

Other (please describe)

Yes / No Non-US Small Business
Classifications: Please select all that apply.

Minority Owned

Woman Owned

Other (please describe)

Capabilities and Core Competencies:

Category Level 1	This company location/site: 1) Has these internal capabilities AND 2) Would like to receive bid opportunities for these items. Select "X" below.	Category Level 2	Capability Details: Which Industry - Aerospace/Automotive/Other? For which Customer(s) / Prime Contractor(s)?
Systems		Actuation	
		Avionics	
		Batteries	
		Circuit Card Assemblies	
		Cyber	
		Delivered Computing Hardware	
		Delivered Software	
		Electrical Power Environmental	
		Control Systems Exterior	
		Lighting	
		Heat Exchangers	
		Landing Gear	
		Pyro, Ordnance, & Munition	
		Valves	
		Other - Systems	
Structures		Additive Manufacturing - Metallic Parts	
		Additive Manufacturing - Non-metallic Parts	
		Composite Parts (Small/Intermediate)	
		Metallic Parts - Machined	
		Metallic Parts - Sheetmetal	
		Non-Metallics, Other	
		Control Surfaces	
		Doors	
		Empennage	
		Floor Panels	

Interiors

Fuselage
Radomes
Rotors, Blades, & Propellers
Sea Structures
Space structures
Windshields, Windows, Canopy
Wing
Other - Structures/Assemblies:
Large assembly (>120" cube),
(>3m cube)
Medium assembly (>48" and <120"
cube), (>1.2m and <3m cube)
Small assembly (<48" cube),
(<1.2m cube)
Low complexity assembly
(structural buildup only)
Medium complexity assembly
(structural buildup and minor
system install)
High complexity assembly
(structural buildup and system
installation including wiring,
environmental, hydraulics, etc.)
Ramp & Final Assembly
Cabin Lighting
Cargo Systems
Emergency Equipment
Escape Systems
Galleys
Indicators and Instruments
Inflight Entertainment (IFE) &
Communications
Lavatories
Linings
Networked Equipment &
Electronics
Oxygen & PSU
Partitions & Stowage
Plastics
Seals
Seating
Soft Goods
Stowage Bins
Water & Waste
Other - Interiors
Castings
Chemicals (Regulated & Non-
regulated)

Materials and Standards

Propulsion

Capital Equipment & Tooling

Electrical Standards
Fasteners
Forgings
Insulation Blankets
Mechanical Standards
Processing
Raw Material, Additive
Raw Material, Composite -
Distribution Only
Raw Material, Composite -
Production (including weaving)
Raw Material, Aluminum (sheet,
plate, extrusion, etc)
Raw Material, Titanium (sheet,
plate, extrusion, etc)
Raw Material, Steel & Other
Metallic (sheet, plate, extrusion,
etc)
Tubes, Ducts, & Hoses:
Tubes & Ducts - Composit
Tubes & Ducts - Metallic
Tubes & Ducts - Plastic
Hoses
Wire Bundles
Other - Materials and Standards
APU
Drivetrain
Engines
Exhaust and Nozzles
Fire Detection & Extinguishing
Fuel Systems
Nacelle
Rocket Propulsion
Strut/Pylon
Other - Propulsion
Advanced Manufacturing
Capital Equipment
Factory Consumables
Support Equipment
Test Equipment
Tooling:
Tooling - Drills, hand tools, etc.
Tooling - Assembly jigs, fixtures,
etc.
Other - Capital Equipment &
Tooling

Services	Business Process Outsourcing
