

# Creating an Ethics and Compliance Program

## *Industry Resources*

Office of Internal Governance and Administration | Ethics and Business Conduct

A commitment to building and sustaining the right culture and values can lead to enhanced business performance.

Suppliers are encouraged to model their ethics program in accordance with the Federal Sentencing Guidelines and industry best practices.

- Defense Industry Initiative Model Supplier Code of Conduct (DII)
- Defense Industry Initiative Supplier Toolkit
- Federal Sentencing Guidelines (FSG)
- Reducing Child Labor, Forced Labor and Human Trafficking Toolkit (DOL)
