**REQUIREMENTS** - The below terms and conditions supplement the quality assurance provisions set forth in the applicable *Contract or Agreement* between the Parties.

Seller shall ensure compliance with *AS/EN/SJAC 9145 Requirements for Advance Product Quality Planning and Production Part Approval Process*, as may be revised from time to time, which is incorporated herein and made a part hereof by this reference.

Seller shall flow-down to its Supply Chain the applicable provisions/requirements of AS/EN/SJAC 9145 that are needed to assure overall compliance to Boeing requirements and expectations.

Seller shall provide all required PPAP data submittals in the English language.

Seller shall re-accomplish any affected PPAP data submittals where an authorized change activity has affected Fit, Form and/or Function of a product and/or article.

Seller shall, as applicable, complete and/or support all APQP Phase Activities, Deliverables, and Outputs as described in the AS/EN/SJAC 9145 standard.

PPAP data submittal requirements may be specified in an Engineering Administrative Agreement (EngAA) and/or other Procurement Documentation and/or Quality note(s) between Boeing and Seller.

Unless otherwise agreed upon between Boeing and the seller, PAPA data submittal templates shall be obtained from the IAQG’s Supply Chain Management Handbook (SCMH), Section 7.2. The SCMH is available through the International Aerospace Quality Group (IAQG). Access the IAQG website at [www.iaqg.org](http://www.iaqg.org) or go directly to the SCMH access page at [www.iaqg.org/scmh](http://www.iaqg.org/scmh).

Seller shall access the current version of Form X38656 by selecting “Supplier Quality” from the menu bar and “Other Quality Requirements” of the “Doing Business with Boeing” home page located at the following URL address: [http://www.boeingsuppliers.com/](http://www.boeingsuppliers.com/).

Seller shall be responsible for regularly monitoring (minimum quarterly) the URLs listed herein to ensure that Seller is in compliance with the latest version of this document, its terms and conditions.

Seller shall make all required PPAP deliverables available to Boeing’s authorized representatives upon request.

Seller shall maintain required PPAP deliverables for a minimum of calendar year + 10 years for each applicable order unless otherwise specified on the order.

NOTE: For example, Appendix C – CONTROL PLAN, clause C.1, indicates that the Control Plan is a living document to be developed and matured thought each phase of product development, and updated throughout the life of the product.

Boeing reserves the right to make final determination of Seller’s compliance to the AS/EN/SJAC 9145 aerospace standard including PPAP deliverables.

Note: “Supply Chain” means Seller’s complete network of material, equipment, information, and services integrated into deliverable products and services provided to Seller, by Seller's direct first tier supply contracts and Seller's sub-tier or lower tier supply contracts.
