

**FLYSHEET AN-16**  
**SUBCONTRACT MANAGEMENT**

- A. Seller shall advise the Buyer of any technical, cost, (when appropriate) and schedule problems as soon as they become apparent and propose solutions for their resolution, including work-around solutions.
- B. Seller shall participate in program review meetings as separately scheduled by the Buyer.
- C. Seller shall permit the Contracting Officer, or his representative, to visit Seller's facilities (subject to Buyer's concurrence) to review progress, discuss problems/failures and witness testing pertaining to the requirements of this subcontract, provided however that Seller shall take no action thereon which will increase the price or cost of this order, extend the schedule hereof, or alter the technical requirements of the specification or other provisions of this order.
