MANUFACTURER'S CERTIFICATE OF CONFORMANCE

Seller shall include with each shipment a copy of the manufacturer's Certificate of Conformance.

The manufacturer's Certificate of Conformance shall include the following information:
1) Name and address of manufacturer
2) Statement attesting that goods and services conform to all contract and associated drawing requirements.
3) Part number and dash number (as applicable)
4) Drawing number and revision level to which the goods were manufactured
5) If goods are Buyer furnished, so indicate.

The Certificate of Conformance will afford traceability to the manufacturer.

- Seller shall reference Buyer’s contract number on manufacturer’s Certificate of Conformance.

OR

- Seller shall include with each shipment a copy of Seller's Certificate of Conformance that will include reference to Buyer’s contract number and a reference to the required manufacturer’s Certificate of Conformance.
