SELLER STATEMENT OF CONDITION FOR USED PARTS

1. Seller shall include with each shipment a certified statement on the certificate of conformity (C of C) stating the following:
 - a. Article identity and condition - must use "as-is" or comparable term to describe condition.
 - b. The article(s) were produced under an FAA approved production system.
 - c. Service bulletin compliance or noncompliance.
 - d. Life/cycle limited parts status (i.e., time, time since overhaul, cycles, and history). If the article is serialized and life-limited, operational time and/or cycles are required.
2. Seller shall certify that article(s) provided in accordance with this purchase document were not subjected to severe stress, heat or environmental conditions (including being submerged in water or otherwise exposed to corrosive agents outside of normal operation) or obtained from or operated by any government or military services.
3. All Airworthiness Directives (AD's) that are represented as having been accomplished must be documented. The documentation shall specify AD number, AD amendment number, date, and method of compliance.
4. When known, Seller shall provide a statement as to the regulatory approval the part has been manufactured under (i.e.: PMA, TSOA, PC).
