SERVICEABLE TAG

A Serviceable Tag (Department of Army DD Form1574) in accordance with the Department of the Army Pamphlet 738-751, “Functional Users Manual for the Army Maintenance Management System – Aviation” must be applied to each repaired or overhauled part and may be used for new parts.

An alternate tag and / or label completed with the following information may be used for new parts only and applied to each individual part or individual unit package.

Supplier Name
Supplier Manufacture code (CAGE Code)
Part Number
Serial Number
Purchase Contract Number
Date
Remarks: (1) Piece, New Part, Overhauled or Repaired
