**FAA AUTHORIZED RELEASE CERTIFICATE - AVIATION CERTIFICATION
CONSULTING - DELIVERABLE**

Federal Aviation Authority (FAA) Authorized Release Certificate, FAA Form 8130-3 is required for goods specified on this contract. The Seller shall provide, if required by Aviation Certification Consulting, a manufacturing plan so that conformity inspection can be planned.

Aviation Certification Consulting is Buyer's subcontracted FAA Designee for conformity of goods procured by this contract. Aviation Certification Consulting is providing the certification service on behalf of Buyer to obtain a Supplement Type Certification (STC). The STC will be issued in Buyer's name.

Seller's manufacturing and inspection records shall bear special identification designating FAA Conformity Inspection. Seller is required to provide the FAA Designee, Aviation Certification Consulting or Designee thereof, with engineering drawings, fabrication and test records and copies of any MRB actions and Seller shall also make available necessary calibrated tools required to perform the conformity.

All drawings, data, or reports provided to Aviation Certification Consulting will be handled in a Proprietary manner. Aviation Certification Consulting has agreed to sign Proprietary Agreements directly with Seller on an as required basis.

Aviation Certification Consulting will contact Seller regarding actual conformity inspection requirements. Seller shall submit goods to the Designated FAA Representative who will initiate and complete FAA FORM 8130-3, Authorized Release Certificate upon acceptance of Seller's goods.

All shipments must include a signed and completed original FAA Form 8130-3 with each item delivered.
