BUYER FAA CONFORMITY – SELLER / SUBCONTRACTOR – DELIVERABLE

Seller will submit goods to Buyer's Quality Assurance Representative who will initiate and complete Federal Aviation Administration (FAA) Form 8130-9 "Statement of Conformity" upon acceptance of Sellers goods.

Seller shall include with each shipment a signed and completed copy of the FAA Form 8130-9.

If those goods specified on this contract for Conformity Inspection by an authorized Federal Aviation Administration (FAA) designee are subcontracted to another facility/subcontractor, Seller is required to contact Buyer's Authorized Procurement Representative and request an authorization to complete the FAA form 8130-9 on behalf of Boeing. Then a copy of the completed FAA form 8130-9 must have the authorization letter attached, and both must accompany the goods at time of shipment.
