Effective Date: 04/21/2004

Clause Number: Q072

Title: AS9102 Aerospace First Article Inspection Requirement and Deliverable Report

Text:

First Article Inspection (FAI) shall be performed by the Seller in accordance with the requirements of AS9102. When documenting the FAI, the Seller may use the forms contained within AS9102 or their equivalent, so long as the forms contain all the information required by AS9102.

Seller will include copy of FAI report with shipment of deliverable product.
