PROCESS VALIDATION ASSESSMENT

Process Validation Assessments (PVA) will be performed during the design and manufacture of goods at Seller's facility. Upon receipt of this contract, Seller shall promptly notify Buyer's Supplier Quality Representative who normally services Seller's facility. If Seller's facility is not currently serviced by a Buyer's Supplier Quality Representative, Seller shall notify Buyer's Authorized Procurement Representative promptly upon receipt of this contract. This clause shall take precedence over clauses in this contract imposing Buyer's Source Inspection. Seller is allowed to ship goods without evidence of Buyer's Source Inspection unless otherwise directed by Buyer's Authorized Procurement Representative.
