Q969 Statistical Process Control - rev 10/1/01

Seller will create a statistical process control plan, stating the details of the techniques to be used on both dimensions and processes for the goods delivered under this contract. The plan will be submitted to Buyer's authorized purchasing representative for approval by Buyer's Quality Assurance. After approval by Buyer's Quality Assurance, Seller will comply with the plan. Any changes to the approved plan will be submitted to Buyer for approval.
