B. FOREIGN SALES

If the supplies or devices to be supplied under this purchase order are intended for incorporation in, or use in connection with, military equipment to be used by the armed forces of a foreign government or an international organization, the following clause applies:

The articles or services to be supplied under this purchase order are intended for incorporation in, or use in connection with, military equipment to be used by the armed forces of a foreign government or an international organization. Part 130 of the International Traffic in Arms Regulations (ITAR), 22 CFR Part 130, requires Buyer to report if the Seller has made, makes or intends to make any payment, loan or donation of \$1,000 or more either as a political contribution or as a fee or commission in connection with the sale of the articles or services described in this purchase order, or an end item incorporating such articles. Accordingly, Seller agrees to promptly notify Buyer in writing if it has made, intends to make, or upon the making of, any payment, loan or donation required to be reported under Part 130 of ITAR, and Seller agrees to furnish Buyer with information with respect to any such payment to enable Buyer to comply with the reporting requirements of Part 130 of ITAR. Seller agrees to include this clause in all of Seller's subcontracts that it issues of \$250,000 or more made hereunder. Buyer will furnish to Seller a copy of Part 130 of ITAR on request.

C. ACQUISITION OF COMSEC EQUIPMENT, COMPONENTS, AND SPARE APRTS OUTSIDE THE UNITED STATES**(1) Definitions**

(A) "COMSEC Equipment", as used in this clause, means equipment designed to provide security to telecommunications by converting information to a form unintelligible to an unauthorized interceptor and by reconverting such information to its original form for authorized recipients, as well as equipment designed specifically to aid in, or as an essential element of, the conversion process. COMSEC equipment is crypto-equipment, crypto-ancillary equipment, crypto-production equipment, and authentication equipment.

(B) "Component", as used in this clause, means any assembly or subassembly incorporated directly into an end product. An assembly is a group of parts, elements, subassemblies and circuits assembled as a separately removable item of COMSEC equipment. A subassembly is a major subdivision of an assembly.

(C) "Part", as used in this clause, means any single, unassembled element of a major or minor subassembly, accessory, or attachment which is not normally subject to disassembly without the destruction or the impairment of the design use.

(D) "Contractor", as used in this clause, means the supplier of the end product and associated support items to the Government under the terms of a specific contract.

(E) "Vendor", as used in this clause, means a person or agency that sells supplies or materials to a contractor or subcontractor.

(F) "United States", as used in this clause, means all areas under the territorial sovereignty of the United States (U.S.) and the Trust Territory of the Pacific Islands.

(2) No subcontracts or purchase orders which involve design, manufacture, production, assembly, inspection, or test in a location not in the U.S., of COMSEC equipment, components, or parts, which are not covered by a specification or standard listed in MIL-P-11268, MIL-E-16400, or MIL-E-5400 shall be made under this purchase order without the prior written approval of Buyer's Authorized Procurement Agent. The Seller further agrees to include this clause in any or all subcontracts or purchase orders that the Seller may let pursuant to this purchase order for COMSEC equipment, components, or parts, except the subcontracts/purchase orders for which waiver is required (i.e., non-U.S. sources). Under no circumstances will any custom large-scale integrated circuit or likeness thereof be sent outside the U.S. for any reason.

(3) Requests for permission to deviate from the requirements of paragraph (2) will be handled on a case-by-case basis through Buyer's Authorized Procurement Agent. Each waiver request must provide a strong and compelling reason why the waiver should be granted in addition to the benefit the Government would gain by the granting of a waiver. Furthermore, prior to the approval of any waiver, the Seller demonstrate to the Government through submission of an acceptable Anonymity Plan (data item DI-NDTI-80566), that procedures are in place to ensure that the offshore vendor remains unaware of the relationship between the prime contractor and the Department of Defense and/or Maryland Procurement Office (MPO). As a minimum, the following conditions will be imposed if a waiver is granted:

(A) Purchase orders and drawings provided to a subcontractor or vendor outside the United States shall not carry any identification that reveals a contractor relationship with the Department of Defense and the MPO. This restriction includes the prime contractor's prime contract number with the Government and 98230/ONXXXXXX parts identification numbers.

(B) The Seller, when requested to mark items with the manufacturer's code 98230 or drawing numbers ONXXXXXX shall only mark these items at a facility located within the U.S. Marking parts with ON markings and the 98230 code specifies that the parts are for MPO use only. If parts marked with the MPO identification code (including rejects and parts not useable for MPO programs) are allocated for non-MPO programs or for resale to other customers. Then markings associated with the MPO identification code must be removed from the parts before the parts are sent to non-MPO programs or other customers.

(C) Buyer has the right to an equitable adjustment to the contract price as consideration for granting approval to acquire COMSEC equipment, components and parts from sources outside the United States (unless the waiver was granted prior to contract award).

D. NON-U.S. CITIZEN ACCESS

Non-U.S. citizens, including immigrant aliens, are not authorize access to any portions of this purchase order, Seller's proposal, or the work performed by Seller under this purchase order.
