A. 252.211-7003 ITEM IDENTIFICATION AND VALUATION - ALT I (APR 2005)

B. NOTIFICATION OF DEBARMENT/SUSPENSION STATUS

Seller shall provide immediate notice to Buyer in the event of being debarred suspended, or proposed for debarment by any Federal Agency during the performance of this contract.

C. W31P4Q-08-R-0184 Technical Data and Computer Software Baseline

A. The purpose of this section is to simplify or eliminate the need for the Government to challenge any claim that the contractor might make that the deliverable technical data may be submitted with limited rights or computer software submitted with restricted rights. This is accomplished by requiring the contractor to submit baseline documentation for the designs of the related items, components, processes, or compute software (ICPS). The baseline documentation submitted under this section shall consist of drawings, specifications, engineering notes, sketches, version description documents, source code listings, software test plan, software test procedures, software test report, and humanly readable source code, all of the which are in sufficient detail to serve as technical identification to be used as a basis for determining the degree of changes made to ICPs designs during the course of the contract. For the purpose of this section, the term contractor means the prime contractor and all subcontractors at any tier.

B. The contractor shall furnish, not later than 90 days after contract award, the baseline documentation existing at the time of contract award upon which the contractor intends to rely to substantiate claims for limited rights or restricted rights in technical data or software related to the contract.

C. For ICPs which the contractor selects for the system after contract award, the contractor shall furnish, not later than 45 days after adoption, baseline technical data existing at the time of adoption upon which the contractor will rely to substantiate claims for limited rights in data or restricted rights in software related to the contract.

D. Failure of the contractor to provide baseline documentation under either paragraphs B or C above shall establish a presumption that the delivered ICPS is developed under the contract resulting from this request for proposal.

E. This section does not apply to items or components that are commercially available from more than one source or to commercially available software.

F. Acknowledgement of the contractors claim to limited rights or restricted rights does not constitute agreement by the Government of the Government of the appropriateness of the claim. The rights of the parties with regard to this issue are set forth in the clauses, DFARS 252.227-7013, Rights in Technical Noncommercial Items (Nov 95) and DFARS 252.227-7014, Rights in Non-commercial Computer Software and Non-commercial Computer Software Documentation (Jun 95).

G. The provisions of this section shall be included in all subcontracts at all tiers.

D. W31P4Q-08-R-0184 VISITS TO SUBCONTRACTOR FACILITIES

The Procuring Contracting Officer (PCO) and other Government personnel designated by the PCO may visit the facilities of any subcontractor providing hardware or services under the contract, as deemed necessary by the Government. The Contractor shall support any such visit by furnishing appropriate personnel to accompany the Government personnel on such visits, as required and requested by the PCO. The Contractor and its subcontractors shall not construe any advice or comments by these Government personnel as Government-directed changes to the terms of the contract. The PCO is the only individual who is authorized to direct or approve any change to the terms of this contract, and any such change shall be accomplished by issuing a modification to the contract. The Contractor shall ensure that the requirements of this clause are flowed down to its subcontractors at all tiers.
