CUSTOMER CONTRACT REQUIREMENTS

The following customer contract requirements apply to this contract to the extent indicated below.

1. Prime Contract Special Provisions The following prime contract special provisions apply to this purchase order

1 New Materials

Seller warrants that the supplies and components to be provided under this Contract are new, not used or reconditioned (except to the extent that such supplies and components must be used or modified in the performance hereof), and that at the time of required delivery, none of such supplies and components shall be of such age or so deteriorated as to impair their usefulness or safety. 'New' does not apply to Buyer Furnished Equipment or any other asset that may be provided by the U.S. Government or Buyer.

2. Security and Confidentiality

Except for release of such information as may be required to comply with U.S. securities laws and regulations, no publicity as to Buyer's identity or other information concerning this Contract shall be released by Seller or its subcontractors without the prior written consent of the Director of Buyer's Security Department, Mission to the United States. Seller's requests for such consent will be forwarded to Buyer's Authorized Procurement Representative.

Seller agrees to insert similar security provisions in appropriate subcontracts awarded hereunder (domestic and foreign).
Seller shall abide by its security regulations and procedures in its performance of this Contract.
