3. Export Control. The following requirements apply in addition to the Trade Control Compliance article of the General Provisions:
  - (a) Seller shall comply with all applicable U.S. export control laws and economic sanctions laws and regulations, specifically including but not limited to the International Traffic in Arms Regulations (ITAR), 22 C.F.R. 120 et seq.; the Export Administration Regulations, 15 C.F.R. 730-774; and the Foreign Assets Control Regulations, 31 C.F.R. 500-598 (collectively, "Trade Control Laws"). Without limiting the foregoing, Seller shall not transfer any export controlled item, technical data, technology, or service, including transfers to foreign persons employed by or associated with, or under contract to Seller or Seller's lower tier suppliers, unless authorized in advance by an export license (such as Technical Assistance Agreement (TAA) or Manufacturing License Agreement (MLA), license exception or license exemption, collectively, "Export Authorization"), as required.
  - (b) Seller shall notify Buyer if any deliverable under this Contract is restricted by applicable Trade Control Laws. Before providing Buyer any item or data controlled under any of the Trade Control Laws, Seller shall provide in writing to Buyer's Procurement Representative the export classification of any such item or controlled data (i.e. the export classification under the EAR, ITAR, EU List of Dual Use Items and Technology, Wassenaar Arrangement's List of Dual-Use Goods and Technologies or other applicable export control list) and shall notify Buyer's Procurement Representative in writing of any changes to the export classification information of the item or controlled data. Seller represents that an official authorized to bind the Seller has determined that the Seller or the designer, manufacturer, supplier or other source of the work has properly determined their export classification.
  - (c) Seller hereby represents that neither Seller nor any parent, subsidiary or affiliate of Seller is included on any of the restricted party lists maintained by the U.S. Government, including the Specially Designated Nationals List administered by the U.S. Treasury Department's Office of Foreign Assets Control ("OFAC"), Denied Parties List, Unverified List or Entity List maintained by the U.S. Commerce Department's Bureau of Industry and Security ("BIS"), or the List of Statutorily Debarred Parties maintained by the U.S. State Department's Directorate of Defense Trade Controls, or the consolidated list of asset freeze targets designated by the United Nations, European Union, and United Kingdom (collectively, "Restricted Party Lists"). Seller shall immediately notify Buyer's Procurement Representative if Seller, or any parent, subsidiary or affiliate of Seller becomes listed on any Restricted Party List or if Seller's export privileges are otherwise denied, suspended or revoked in whole or in part by any U.S. or non-U.S. government entity or agency.
  - (d) If Seller is engaged in the business of exporting manufacturing (whether exporting or not) or brokering defense articles or furnishing defense services, Seller represents that it is and will continue to be registered with the Directorate of Defense Trade Controls, as required by the ITAR, and it maintains an effective export/import compliance program in accordance with the ITAR.
  - (e) Where Seller is a party to or signatory under a BUYER Export Authorization, Seller shall provide prompt notification to Buyer's Procurement Representative in the event of (1) changed circumstances including, but not limited to, ineligibility, a

violation or potential violation of the ITAR or other applicable governmental restrictions, and the initiation or existence of a U.S. Government investigation, that could affect Seller's performance under this Contract, or (2) any change by Seller that might require Buyer to submit an amendment to an existing Export Authorization or request a new or replacement Export Authorization. Seller shall provide to Buyer all information and documentation as may reasonably be required for Buyer to prepare and submit any required export license applications. Delays on Seller's part to submit the relevant information for export licenses shall not constitute an excusable delay under this Contract.

(f) Seller shall include paragraphs (a) through (d) and this paragraph (f) of this clause or equivalent provisions in lower tier subcontracts for the delivery of items that will be included in or delivered as work to Buyer. Seller shall immediately notify Buyer upon learning that any lower tier subcontractor with which it engages has become listed on the Restricted Parties List.
