if not disclosed to the U.S. Government could have adverse effects on the reliability and mission success of a U.S. Government program; and (iii) Aerospace shall make the technical information (including proprietary information) available only to its Trustees, officers, employees, contract labor, consultants, and attorneys who have a need to know.

(c) The contractor further agrees to include in all subcontracts a clause requiring compliance by subcontractor and supplier and succeeding levels of subcontractors and suppliers with the response and access and disclosure provisions of this Enabling Clause, subject to coordination with the contractor, except for subcontractors for commercial items or commercial services. This agreement does not relieve the contractor of its responsibility to manage the subcontracts effectively and efficiently nor is it intended to establish privity of contract between the Government or The Aerospace Corporation and such subcontractors or suppliers, except as indicated in paragraph (d) below.

(d) The Aerospace Corporation shall protect the proprietary information of contractors, subcontractors, and suppliers in accordance with the Nondisclosure Agreement, The Aerospace Corporation entered into with The Air Force, a copy of which is available upon request. This Nondisclosure Agreement satisfies the Nondisclosure Agreement requirements set forth in 10 U.S.C. § (f) (2) (B), and provides that such contractors, subcontractors, and suppliers are intended third-party beneficiaries under the Nondisclosure Agreement and shall have the full rights to enforce the terms and conditions of the Nondisclosure Agreement directly against The Aerospace Corporation, as if they had been signatory party hereto. Each such contractor, subcontractor, or supplier hereby waives any requirement for The Aerospace Corporation to enter into any separate company-to-company confidentially or other nondisclosure agreements.

(e) The Aerospace Corporation personnel are not authorized to direct the contractor in any manner. The contractor agrees to accept technical direction as follows:

1. Technical direction under this contract will be given to the contractor solely by PCO.
2. Whenever it becomes necessary to modify the Agreement and redirect the effort, a Change Order signed by the Contracting Officer, or a Supplemental Agreement signed by both the Contracting Officer and the Contractor will be issued.
