ORGANIZATIONAL CONFLICT OF INTEREST

(a) Purpose: The primary purpose of this requirement is to ensure that:

- (1) The Seller's objectivity and judgment are not biased because of its past, present, or currently planned interests (financial, contractual, organizational, or otherwise) which relate to work performed under this Contract;
- (2) The Seller does not obtain an unfair competitive advantage by virtue of its access to non-public information regarding the Government's program plans and actual, or anticipated, resources; and
- (3) By virtue of its access to proprietary information belonging to others, the Seller does not obtain any unfair competitive advantage.

(b) Scope: The restrictions described herein shall apply to performance or participation by the Seller and any of its affiliates or their successors in interest (hereinafter collectively referred to as "Seller") in the activities covered by this requirement as subcontractor, co-sponsor, joint venture, or in any similar capacity.

- (1) Maintenance of Objectivity: The Seller shall be ineligible to participate (in any capacity) in any DARPA procurements other than those for Scientific, Engineering, Technical and Administrative (SETA) support services. A DARPA SETA contractor cannot simultaneously be a DARPA performer on other, non-SETA efforts.
- (2) Access To and Use of Government Information: If the Seller, in performance of this Contract, obtains access to information such as plans, policies, reports, studies, financial plans, or data which has not been released or otherwise made available to the public, the Seller agrees that, without prior written approval from the Buyer, it shall not:
 - (i) Use such information for any private purpose unless the information has been released or otherwise made available to the public;
 - (ii) Compete for, or accept, work based on such information until such information is released or otherwise made available to the public, whichever occurs first;
 - (iii) Submit an unsolicited proposal to the Government which is based on such information; and
 - (iv) Release such information unless such information has previously been released or otherwise made available to the public by the Government.
- (3) Access To and Protection of Proprietary Information: The Seller agrees that, to the extent it receives or is given access to proprietary data, trade secrets, or other confidential or privileged technical, business or financial information (hereinafter, referred to as "proprietary data") under this Contract, it shall treat such information in accordance with any restrictions imposed on such information. The Seller further agrees to enter into a written agreement for the protection of the proprietary data of other contractors or Sellers and to exercise diligent effort to protect such proprietary data from unauthorized disclosure. In addition, the Seller shall obtain from each employee who has access to proprietary data under this Contract, a written agreement which shall provide that such employee shall not, during his/her employment by the Seller or thereafter, disclose to others or use for their benefit, proprietary data received in conjunction with the work under this Contract.

(c) Subcontracts: The Seller shall include this requirement, including this paragraph, in subcontracts of any tier. The terms "Seller," "Contract," "Contractor," and "Contracting Officer" will be appropriately modified to preserve the Government's rights.

(2) The Seller agrees that if after award it discovers an organizational conflict of interest with respect to this Contract, a prompt and full disclosure shall be made in writing to the Buyer which shall include a description of the action the Seller has taken or proposes to take to avoid or mitigate such conflict(s).

If, however, in compliance with this requirement, the Seller discovers and promptly reports an organizational conflict of interest (or the potential therefore) subsequent to contract award, the Contracting Officer, via the Buyer, may terminate this Contract for convenience of the Government if such termination is deemed to be in the best interest of the Government.

(2) The Parties recognize that this requirement has potential effects which will survive the performance of this Contract and that it is impossible to foresee each circumstance to which it might be applied in the future. Accordingly, the Seller may, at any time, seek a waiver from the Contracting Officer, via the Buyer, by submitting a full written description of the requested waiver and the reasons in support thereof. If it is determined to be in the best interests of the Government, the Contracting Officer, via the Buyer, will grant such a waiver.
