FAX-ONLY RESPONSES

Responding to this solicitation via facsimile (FAX) transmission is not only expressly authorized, it is the only acceptable method of responding. Reference the solicitation number on the FAX cover sheet and include Buyer's address and the name and location of Buyer's Authorized Procurement Representative. The telephone numbers of the FAX machines authorized to receive Bidder's proposal are indicated in this solicitation. Suppliers are cautioned that proposals received after the date required by this solicitation or by means other than FAX will not be considered.
