REPAIR OF TOOLING

Unless otherwise specified, all tools that cannot be reconditioned to maintain specifications called out in item description(s) are to be returned to Buyer with no work performed. Seller will segregate and package non-repairable tools for shipment according to Purchase Contract item number and description with a tag indicating the reason for non-repairable disposition, and all such packaging will be marked "NON-REPAIRABLE" for identification. Non-repairable tools are to be returned to Buyer in lot shipment with packing list indicating quantity returned per Purchase Contract item number and description.
