Buyer shall modify this contract in writing accordingly. Unless otherwise agreed in writing, Seller must assert any claim for adjustment to Buyer's Authorized Procurement Representative in writing within 25 days and deliver a fully supported proposal to Buyer's Authorized Procurement Representative within 60 days after Seller's receipt of such direction. Buyer may, at its sole discretion, consider any claim regardless of when asserted. If Seller's proposal includes the cost of property made obsolete or excess by the change, Buyer may direct the disposition of the property. Buyer may examine Seller's pertinent books and records to verify the amount of Seller's claim. Failure of the parties to agree upon any adjustment shall not excuse Seller from performing in accordance with Buyer's direction.
c. If Seller considers that Buyer's conduct constitutes a change, Seller shall notify Buyer's Authorized Procurement Representative immediately in writing as to the nature of such conduct and its effect upon Seller's performance. Pending direction from Buyer's Authorized Procurement Representative, Seller shall take no action to implement any such change.

If the failure to perform is caused by a 1-9 subcontractor at any tier and if the cause of the failure was beyond the control of both Seller and subcontractor, and without the fault or negligence of either, Seller shall not be deemed to be in default unless the subcontracted supplies or services were reasonably obtainable from other sources.
c. Upon request of Seller, Buyer's Authorized Procurement Representative shall ascertain the facts and extent of the failure. If Buyer's Authorized Procurement Representative determines that any failure to perform results from one or more of the causes above, the Parties shall discuss next steps which may include but are not limited to revising the delivery schedule, altering the SOW, changing the deliverable or at Buyer's sole option terminating the project.

property is used, a copy of Buyer's shipper will be kept in Seller's files for auditing purposes. Such records
shall be made available to Buyer, upon request, for examination, reproduction and audit from the date of
this contract until three years after final payment hereunder. As a result of any audit performed by Buyer,

respectively. Seller shall submit its final invoice promptly after completion of work. Upon approval of
Seller's final invoice and substantiating documentation and upon compliance by Seller with all terms of this

Buyer data relative to payroll policies and procedures, including collective bargaining agreements with
respect to wage payments for straight time, overtime, holidays, etc.

TERMINATION FOR CONVENIENCE
Buyer reserves the right to terminate this contract, or any part hereof, for its sole convenience. In the event
of such termination, Seller shall immediately cease all work hereunder and shall immediately cause any and

performance of this contract without Buyer's prior written consent. Seller shall not delegate any of its duties
or obligations under this contract. Seller may assign its right to monies due or to become due. No
assignment, delegation or subcontracting by Seller, with or without Buyer's consent, shall relieve Seller of
any of its obligations under this contract or prejudice any of Buyer's rights against Seller whether arising
before or after the date of any assignment. This article does not limit Seller's ability to purchase standard
commercial supplies or raw materials.

PUBLICITY
Without Buyer's prior written approval, Seller shall not, and Seller's subcontractors at any tier shall not,

b. To facilitate patent protection. If Buyer believes that the subject matter proposed to be published warrants patent protection, Buyer will identify the subject matter requiring protection and notify Seller. Upon receipt of such notice, Seller agrees to withhold the publication or disclosure for a period not to exceed ninety (90) days to permit preparation and filing of appropriate patent application(s) by Buyer. Under circumstances other than a. and b. above, Buyer may request reasonable changes and/or deletions be made in any proposed publication. The Seller will consider such changes, but retains the sole right to determine whether such changes or deletions will be made.

The foregoing indemnity shall apply only to the extent of the negligence of Seller, any subcontractor thereof, or their respective employees. In no event shall Seller’s obligations hereunder be limited to the extent of any insurance available to or provided by Seller or any subcontractor thereof. Seller expressly waives any immunity under industrial insurance, whether arising out of statute or source, to the extent of the indemnity set forth in this paragraph (a).

Such certificates shall be kept current and in compliance throughout the period when work is being performed and until final acceptance by Buyer, and shall provide for 30 days advance written notice to Buyer in the event of cancellation. Failure of Seller or any subcontractor thereof to furnish certificates of insurance or to procure and maintain the insurance required herein or failure of Buyer to request such certificates, endorsements or other proof of coverage shall not constitute a waiver of Seller’s or subcontractor’s obligations hereunder.

f. **Self-Assumption.** Any self-insured retention, deductibles and exclusions in coverage in the policies required under this article shall be assumed by, for the account of and at the sole risk of Seller or the subcontractor which provides the insurance and to the extent applicable shall be paid by such Seller or subcontractor. At all times Seller shall, and ensure that any subcontractor thereof shall, use suitable precautions to prevent damage to Buyer’s property. If any such property is damaged by the fault or negligence of Seller or any subcontractor thereof, Seller shall, at no cost to Buyer, promptly and equitably reimburse Buyer for such damage or repair or otherwise make good such property to Buyer's satisfaction. If Seller fails to do so, Buyer may do so and recover from Seller the cost thereof.

Buyer and/or its customer will duly notify Seller of any such claim, suit or action; and Seller will, at its own expense, fully defend such claim, suit or action on behalf of indemnitees. Seller will have no obligation under this article with regard to any infringement arising from (a) Seller's compliance with formal specifications issued by Buyer where infringement could not be avoided in complying with such specifications or (b) use or sale of goods for other than their intended application in combination with other items when such infringement would not have occurred from the use or sale of those goods solely for the purpose for which they were designed or sold by Seller. Examples of original documents that are considered satisfactory are U.S. Birth Certificates, U.S. Passports, Certificates of Naturalization, Alien Registration Receipt Card (with photograph), and/or other evidence of citizenship satisfactory to Buyer before being allowed access to Buyer's premises. An employee of Seller who is not a U.S. citizen and does not have a permanent-resident-alien "green" card on his or her person may not be admitted to Buyer's or Buyer's customer's facilities for purposes of performing work without special arrangements. All such employees, agents, and representatives are bound by the provisions of the United States Criminal Code relating to espionage and sabotage and the United States statute known as the Immigration Reform and Control Act of 1986, as amended. All such employees, agents and representatives will conform to the standards and requirements established by the Government and Buyer's Security. Performance of some work may require a security clearance.

b. Seller will submit the name and birth certificate and/or other satisfactory evidence of citizenship of each such employee, agent, or representative prior to the time for reporting to perform work and at any time thereafter before substituting or adding new personnel to perform work on Buyer's premises. Information submitted by Seller shall be certified by an authorized representative of Seller as being true and correct and Seller and will permit Buyer, upon reasonable notice, to inspect and audit Seller's records documenting such compliance with respect to said personnel.

c. If Seller subcontracts work under this contract to be performed on premises owned or controlled by Buyer or the Government, Seller shall suitably modify the names of the parties and include the substance of this clause in such subcontracts, imposing on its subcontractor the same obligations as Seller.

GOVERNING LAW
This contract shall be governed by and construed in accordance with the laws of the state of Washington. No consideration shall be given to Washington's conflict of laws rules. This contract excludes the application of the 1980 United Nations Convention on Contracts for the International Sale of Goods.
CODE OF CONDUCT
Buyer is committed to conducting its business fairly, impartially, and in an ethical and proper manner. Buyer’s expectation is that Seller also will conduct its business fairly, impartially, and in an ethical and proper manner. Buyer’s further expectation is that Seller will have (or will develop) and adhere to a code of ethical standards. If Seller has cause to believe that Buyer or any employee or agent of Buyer has behaved improperly or unethically under this contract, Seller shall report such behavior to The Boeing Company Ethics hotline. Copies of The Boeing Company Code of Conduct and contacts for such reports are available on www.boeing.com under "Ethics." Although Buyer will not use the failure to report improper or unethical behavior as a basis for claiming breach of contract by Seller, Seller is encouraged to exert reasonable effort to report such behavior when warranted.

CODE OF BASIC WORKING CONDITIONS AND HUMAN RIGHTS
Buyer is committed to providing a safe and secure working environment and the protection and advancement of basic human rights in its worldwide operations. In furtherance of this commitment, Buyer has adopted a Code of Basic Working Conditions and Human Rights setting out in detail the measures it takes to ensure this commitment is fulfilled. The Boeing Code may be downloaded at http://www.boeing.com/employment/culture/code.html. Buyer strongly encourages Seller to adopt and enforce concepts similar to those embodied in the Boeing Code, including conducting Seller's operations in a manner that is fully compliant with all applicable laws and regulations pertaining to fair wages and treatment, freedom of association, personal privacy, collective bargaining, workplace safety and environmental protection. Seller will promptly cooperate with and assist Buyer in implementation of and adherence to the Boeing Code. Any material breach of this Article by Seller may be considered a major breach of this contract for which Buyer may elect to cancel any open orders between Buyer and the Seller, for cause, in accordance with the provision of this order entitled "Cancellation for Default" or exercise any other right of Buyer for an Event of Default under this contract.

SELLER FINANCIAL REVIEW.

This provision shall not apply to contracts with nonprofit education or research institutions associated with state or provincial universities; contracts with agencies of the United States government or agencies of state governments; contracts with entities that are at least fifty percent (50%) directly owned by Buyer; or, contracts for services of an individual when the individual is the sole employee of the company.

ENTIRE AGREEMENT
This contract contains the entire agreement of the parties and supersedes any and all prior agreements, understandings and communications between Buyer and Seller related to the subject matter of this contract. No amendment or modification of this contract shall bind either party unless it is in writing and is signed by Buyer’s Authorized Procurement Representative and an authorized representative of Seller.
