## **Section 1 : SOLICITATION CLAUSES**

---

111. Progress Payments (10/1/96). It is anticipated that progress payments will be available under the contract contemplated by this solicitation in conformance with the standards for customary progress payments stated in FAR 32.501 or Paragraph 503 of Appendix E of the Defense Acquisition Regulation (DAR). If Bidder desires progress payments, a written request will be included in the proposal, as progress payments will not be provided unless requested. A proposal which includes a request for progress payments will be evaluated on an equal basis with a proposal which does not include a request for progress payments.
