

Section 3 : ADMINISTRATIVE CLAUSES

352. Rent-Free, Noninterference Use of Government Facilities (10/1/96). The prices stated in this contract assume Seller's use on a rent-free, noninterference basis of Government facilities. If such facilities should become other than fully rent-free during the performance of this contract or undergo any other change which might affect their suitability for use hereunder, Seller will promptly notify Buyer. The prices, delivery schedule, and other affected provisions of this contract will be equitably adjusted to reflect the changed circumstances. This same clause will be included in lower-tier subcontracts where rent-free use of Government facilities is contemplated. Seller's facility contract number and date of expiration thereof are set forth in this contract.
