

Section 6 : QUALITY ASSURANCE CLAUSES / CQAR

674. Compliance With MIL-I-45208A (10/1/96).

(a) Seller will comply with MIL-I-45208A, Inspection System Requirements. Seller is also required to be on Buyer's Approved Suppliers List.

(b) Unless specifically authorized by this contract, Buyer does not delegate Material Review Board (MRB) authority to Seller or its subtier suppliers relative to permanent nonconformances of features, characteristics or parameters that are controlled by Buyer's specifications. Nonconformances to Seller-controlled features, characteristics, and parameters that do not result in failures to completely meet specification requirements may be dispositioned in accordance with Seller's system for the control of nonconforming goods.

(c) If Seller is not the manufacturer, Seller will furnish goods which have been obtained from a source approved by Buyer, as well as provide the name and address of the manufacturer on the shipping report or applicable certification. A list of approved sources will be furnished by Buyer's authorized purchasing representative upon request.

(d) Seller will insert the substance of this clause, including this sentence, in all lower-tier subcontracts for work done under this contract.
