

Section 9 : GOVERNMENT CONTRACT REQUIREMENTS

CLAUSE 932 (2/27/02)

MDA-SS-93-833C

LOT 4 - DELTA II FOLLOW-ON PROGRAM

(a) This contract is in support of Delta II Follow-On Program - Lot 4. Portions of this contract are under MDC Prime Contracts MDA-SS-93-833C, F04701-93-C-0004, and NAS5-30722. The specific amount allocable to each prime contract is set forth in paragraph (c). Both parties hereby agree that, except for DPAS regulations, all provisions in this contract apply to the entire contract.

(b) (This paragraph applies only if the rated portion of this contract exceeds \$50,000.) A portion of this contract (see paragraph (c)) is certified for national defense use, and you are required to follow all the provisions of the Defense Priorities and Allocations System regulation (15 CFR 700) only as it pertains to the rated portion. If this is a unilateral rated order, you are required to acknowledge this order in writing or electronically within 15 working days of receipt of a DO-rated order and within 10 working days of receipt of a DX-rated order. If you reject the order, you must give reasons in writing (not electronically) for the rejection.

(c) The rated and unrated portions of this contract are as follows:

F04701-93-C-0004	USAF	DX-A2	10%
NAS5-30722	NASA	DO-A2	10%
MDA-SS-93-833C	Commercial	Unrated	80%

(d) MDC anticipates that some or all of the goods and/or services required by this contract will be required for future U.S. Government launches; therefore, MDC may have a need to modify this contract to revise the percentage of this contract allocable to rated orders, e.g., F04701-93-C-0004, and possibly to additional rated orders. Such a modification will not be grounds for an equitable adjustment to this order.

(e) If the DPAS language in this clause conflicts with any other DPAS language in this contract, the language in this clause shall take precedence.

(f) Clause 937 (F04701-93-C-0004) is incorporated by reference.

(g) Clause 914 (NAS5-30722) is incorporated by reference.

(h) If Clause 601 is incorporated in this contract, then Clause 221 is incorporated by this reference.

(i) Clause 387 is incorporated by reference; it applies to that portion of the contract that has been identified above as commercial.
