

CODE 20C
ST0802GTOOO2 - SUPPLIER'S INSPECTION

The provisions of Buyer's Purchase Order titled "Inspection" or "Inspection and Correction of Defects" are supplemented by the following:

During performance of this order, Seller shall maintain an Inspection System in accordance with The Boeing Company Specification ST0802GTOOO2 titled "Supplier's Inspection System" Revision "R" dated 7 February 1997.

Attention - Certifications are required to attest that:

- (a) Articles required by Buyer's purchase order to be procured from a source approved by Buyer were procured from such source.
- (b) Processing required by Buyer's purchase order to be performed by a processor on Buyer's Certified Special Processor List was performed by such processor.

Certifications shall contain as a minimum:

Name of processor and/or procurement source, source address, specification number with applicable change letter and source certification date.

See special certification section of subject specification for complete text of certification requirement.
