

IDS Common Quality Clauses

Q961 Hardness Test Requirements - rev 4/11/01

- (a) The goods covered by this contract require a hardness test. Seller shall perform, and certify to the completion of, the test per the applicable specification or the instructions provided by Buyer.
- (b) Seller shall record and report actual minimum and maximum values obtained.
- (c) Seller shall include the test results, along with a specific reference to the applicable acceptance criteria, with each shipment of goods.
