

1. FORMATION OF CONTRACT

- a. This proposed purchase contract, which incorporates by reference these General Provisions and all other terms and conditions set forth in this proposed purchase contract (collectively, "Contract"), is Buyer's offer to purchase services and any related goods, materials, or other deliverables (collectively, "Services") described in this offer. Acceptance is strictly limited to the terms and conditions in this offer. Unless specifically agreed to in writing by Buyer's Authorized Procurement Representative, Buyer objects to, and is not bound by, any term or condition that differs from or adds to this offer. Seller's commencement of performance or acceptance of this Contract in any manner shall conclusively evidence acceptance of this Contract as written. Seller's provision of Services shall be governed solely by this Contract. Buyer and Seller are referred to herein as a "Party" or collectively as the "Parties."
- b. Except as authorized herein, no amendment or modification of this Contract shall bind either Party unless it is in writing and is signed by the authorized representatives of the Parties.
- c. For purposes of this Contract, unless the context requires otherwise, (i) the words "include," "includes," and "including" are deemed to be followed by the words "without limitation"; (ii) the word "or" is not exclusive; (iii) the words "herein," "hereof," "hereby," "hereto," and "hereunder" refer to this Contract as a whole; (iv) words denoting the singular have a comparable meaning when used in the plural, and vice-versa; (v) words denoting any gender include all genders; and (vi) references to (a) articles, exhibits, schedules, attachments, and appendices mean the articles of, and exhibits, schedules, attachments, and appendices attached to, this Contract; (b) an agreement, instrument, or other document means such agreement, instrument, or other document as amended, supplemented, and modified from time to time to the extent permitted by the provisions thereof; and (c) a statute means such statute as amended from time to time and includes any successor legislation thereto and any regulations promulgated thereunder. The Parties drafted this Contract without regard to any presumption or rule requiring construction or interpretation against the Party drafting an instrument or causing any instrument to be drafted. The exhibits, schedules, attachments, and appendices referred to herein are an integral part of this Contract to the same extent as if they were set forth verbatim herein.

2. SCHEDULE

- a. Time is and shall remain of the essence in the performance of this Contract, and Seller shall strictly adhere to the schedules specified in this Contract. Failure to deliver in accordance with such schedules, if unexcused, shall constitute a material breach of this Contract. In the event of any anticipated or actual delay, including delays attributed to labor disputes, Seller shall: (i) promptly notify Buyer in writing of the reasons for the delay and the actions being taken to overcome or minimize the delay; (ii) provide Buyer with a written recovery schedule; and (iii) if requested by Buyer, ship via air or other expedited routing, to avoid or minimize delay to the maximum extent possible.
- b. Seller shall not deliver Services prior to the scheduled delivery dates unless authorized in writing by Buyer's Authorized Procurement Representative.

3. PACKING AND SHIPPING

Unless otherwise set forth in this Contract, Seller shall package goods in accordance with the requirements of Boeing Document D37522-6 "Supplier Packaging." Upon Buyer's request, Seller shall identify packaging charges showing material and labor costs for container fabrication.
- d. Seller shall provide with each container shipped under this Contract an Advanced Shipping Notice ("ASN"). For each container shipped, Seller shall provide two (2) readable copies of the ASN barcode as follows: one (1) copy is to be securely affixed to the outside of each container and one (1) copy is to be loose inside each container. Non-conforming shipments are subject to rejection and repackaging at Seller's expense. Instructions and guidelines related to the ASN process can be found on the Boeing Supplier Portal. Except for the rights granted to Buyer under this Article, a change pursuant to this Article shall not give rise to nor authorize any other modification of or amendment to the terms and conditions of this Contract.

- b. If such change increases or decreases the cost or time required to perform this Contract, the Parties shall negotiate an equitable adjustment in the price or schedule, or both, to reflect the increase or decrease. Buyer shall modify this Contract in writing accordingly. Unless otherwise agreed in writing, Seller must assert any claim for adjustment to Buyer's Authorized Procurement Representative in writing within twenty-five (25) days and deliver a fully supported proposal to Buyer's Authorized Procurement Representative within sixty (60) days after Seller's receipt of such direction. Buyer may, at its sole discretion, consider any claim regardless of when asserted. If Seller's proposal includes the cost of property made obsolete or excess by the change, Buyer may direct the disposition of the property. Seller has the burden to support the amount of Seller's claim for equitable adjustment. Further, Buyer shall have the right to verify the amount of Seller's claim in accordance with the "Financial Records and Audit" Article. Failure of the Parties to agree upon any adjustment shall not excuse Seller from performing in accordance with Buyer's direction.
- c. If Seller considers that Buyer's conduct constitutes a change, Seller shall notify Buyer's Authorized Procurement Representative promptly in writing as to the nature of such conduct and its effect upon Seller's performance. Pending direction from Buyer's Authorized Procurement Representative, Seller shall take no action to implement any such change.

Buyer may also, at Buyer's option, by prior written notice from Buyer's Authorized Procurement Representative, extend such rights to other customers of Buyer and to agencies or instrumentalities of foreign governments equivalent in purpose to the Federal Aviation Administration. Seller shall cooperate with any such United States Government-directed or Buyer-directed inspection, surveillance, test, or review. Nothing in this Contract shall be interpreted to limit United States Government access to Seller's facilities pursuant to law or regulation.
- e. Reviews, including program reviews, requirements consumption reviews, and production readiness assessments, shall be held at Seller's, Buyer's, or Buyer's customers' facilities, as requested by Buyer. No payment, prior test, inspection, passage of title, failure, or delay in performing any of the foregoing, nor failure to discover any defect or other nonconformance shall relieve Seller of any obligations under this Contract or impair any rights or remedies of Buyer, including revocation of acceptance.
- b. If Seller delivers defective or non-conforming Services, Buyer may at its option and at Seller's expense: (i) require Seller to promptly reperform, correct or replace Services; (ii) correct Services; or (iii) obtain replacement Services from another source. - d. If Seller becomes aware or suspects that it has furnished Counterfeit or Suspect Counterfeit Parts to Buyer, Seller promptly, but in no case later than thirty (30) days from discovery, shall notify Buyer and replace, at Seller's expense, such Counterfeit Parts or Suspect Counterfeit Parts with goods that conform to the requirements of this Contract. Payments shall be processed on the next payment system run following the computed payment due date. 10. SUSPENSION OF WORK

- a. Buyer's Authorized Procurement Representative may, by written order, suspend all or part of the work to be performed under this Contract for a period not to exceed one hundred (100) days. The time for requesting an equitable adjustment under subparagraph l (lower case letter "L") is reduced to forty-five (45) days. Settlements and payments under this provision may be subject to approval by the Contracting Officer and the Settlement Review Board.
- b. Termination for Default.

20. CONFIDENTIAL, PROPRIETARY, AND TRADE SECRET INFORMATION AND MATERIALS

- a. Buyer and Seller shall each keep confidential and protect from unauthorized use and disclosure all (i) confidential, proprietary or trade secret information of a Party or third party disclosed by a Party; (ii) software provided under this Contract in source code form or identified as subject to this Article; and (iii) tooling identified as subject to this Article: in each case that is obtained, directly or indirectly, from the other in connection with this Contract or Buyer's contract with its

customer, if any, (collectively referred to as "Proprietary Information and Materials"). Proprietary Information and Materials excludes information that is, as evidenced by competent records provided by the receiving Party, known to the receiving party or lawfully in the public domain, in the same form as disclosed hereunder, disclosed to the receiving Party without restriction by a third party having the right to disclose it, or developed by the receiving Party independently without use of or reference to the disclosing Party's Proprietary Information and Materials.

- b. Buyer and Seller shall use Proprietary Information and Materials disclosed by the other Party only to perform and for the purpose of this Contract, other contracts between the Parties, and Buyer's contract with its customer, if any and shall not disclose such Proprietary Information and Materials to any third party except as expressly set forth herein. Seller shall not, without Buyer's prior written consent, use the Proprietary Information and Materials disclosed by Buyer in any manner not authorized under this Contract, including using such Proprietary Information and Materials to train, develop or improve any machine learning or artificial intelligence system. Buyer may also, at any time use, reformat, copy or disclose Seller's Proprietary Information and Materials to: (i) fulfill Buyer's obligations under this Contract, other contracts with Seller, and Buyer's contract with its customer, if any; (ii) test, certify, use, sell, or support Services delivered under this Contract or Buyer's product containing such Services; (iii) evaluate Seller products and proposals, develop solicitations for Seller products, and develop interfaces or parameters for Boeing products; (iv) perform or obtain data analysis or risk mitigation; (v) obtain data storage, hosting, and other outsourced services; and (vi) ensure regulatory or legal compliance. Any such disclosure by Buyer shall, when appropriate, include a suitable restrictive legend.
- c. Seller may disclose Proprietary Information and Materials of Buyer to its subcontractors only as required to perform this Contract if Seller includes a suitable restrictive legend on such disclosures and if each such subcontractor has agreed in writing to obligations no less restrictive than those imposed upon Seller under this Article. Seller shall be liable to Buyer for any breach of such obligation by such subcontractor.
- d. A Party may disclose received Proprietary Information and Materials in response to a subpoena or court order if the receiving Party has used reasonable efforts to give the disclosing Party advance written notice of such requirement to allow the disclosing Party to: (i) seek a protective order or other remedy; (ii) consult with respect to resisting or narrowing the scope of such requirement; or (iii) modify or waive compliance with this Article. If such protective order or remedy is not timely obtained, the receiving Party shall use commercially reasonable efforts to disclose only Proprietary Information and Materials legally required to be disclosed and to require confidential treatment of such disclosure.
- e. Upon Buyer's request, and in any event upon the completion or termination of this Contract, Seller shall return to Buyer all of Buyer's Proprietary Information and Materials and all materials derived therefrom, unless Buyer specifically directs otherwise in writing. Seller shall not (i) dispose of (as scrap or otherwise) any Services, parts or other materials containing, conveying, embodying or made in accordance with or by reference to any Buyer Proprietary Information and Materials without first rendering such items unusable, and ensuring that Buyer Proprietary Information and Materials cannot be discerned or extracted from such goods, parts, or other materials; or (ii) without a separate license agreement or written approval from Buyer, make, use, or sell any Services, parts, or materials containing, conveying, embodying or made in accordance with or by reference to Proprietary Information and Materials of Buyer except as required to perform this Contract.

- g. Seller agrees that any technical data and computer software furnished to Buyer as a required deliverable under this Contract shall be free from confidential, proprietary, or restrictive-use markings that are not expressly permitted by applicable FAR or other U.S. Government agency FAR supplement clauses incorporated in this Contract ("Nonconforming Markings"). Buyer may notify Seller of a Nonconforming Marking, and if Seller fails to remove or correct such marking within forty-five (45) days after such notification, Buyer may, at Seller's expense, correct any such Nonconforming Marking.

21. INTELLECTUAL PROPERTY INDEMNITY

Seller shall indemnify, defend, and hold harmless Buyer and its customer from all claims, suits, actions, awards (including awards based on intentional infringement of patents), liabilities, damages, costs, and attorneys' fees related to the actual or alleged infringement of any intellectual property right or misappropriation or wrongful use of information or documents, and arising out of or related to the use, manufacture, reproduction, sale, or other distribution of Services by Buyer or its customer. Buyer or its customer shall timely notify Seller of any such claim, suit, or action. Seller shall, at its own expense, defend such claim, suit, or action, and Buyer shall have the right to participate in the defense at its own expense. Seller shall have no obligation to indemnify Buyer for infringement if and to the extent such infringement arises from (i) the compliance of Seller's new product design with formal specifications issued by Buyer where infringement could not be avoided in complying with such specifications or (ii) use or sale of Services for other than their intended application when such infringement would not have occurred from the use or sale of those Services solely for the purpose for which they were designed or sold by Seller. The exception in (i) above shall not apply if the infringement arises out of adherence to one or more industry standards or

regulatory requirements. For purposes of this Article only, the term Buyer shall include The Boeing Company, all Boeing subsidiaries, and all officers, agents, and employees of Boeing or its subsidiaries.

22. INTELLECTUAL PROPERTY

a. Definitions:

"Intellectual Property" or "IP" means inventions, discoveries, and improvements; know-how, works of authorship, technical data, drawings, specifications, process information, reports, and documented information; and computer software.

"IP Rights" means all worldwide common law and statutory rights to the IP, including rights under patents, industrial designs, trade secrets, copyrights, and mask work registrations.

"Background IP" means all IP and IP Rights owned or controlled by Seller prior to the effective date or outside the scope of this Contract.

"Foreground IP" means IP and IP Rights conceived, developed, or created by, for, or with Seller, either alone or with third parties, in the performance of this Contract, including modifications to any Buyer Specification suggested or made by Seller.

"Buyer Specifications" means performance specifications, specification control documentation, interface control documents, schematics, definitions, configurations, and certification data, and all IP Rights therein, used or intended to be used by Boeing: (i) to establish and define (1) requirements for Services and associated processes, service level, system specification, certification, and configuration; and (2) architecture descriptions for Services and associated processes, service, and system; and (ii) to procure and certify Services or similar products and to assure integration of Services or similar product with a Boeing product or other systems and equipment included in a Boeing product.

b. **Seller-Owned IP.** Seller shall retain ownership of its Background IP and of any Foreground IP not assigned to Buyer pursuant to subparagraph d. below (collectively, the "Seller-Owned IP"). Seller grants to Buyer an irrevocable, nonexclusive, sublicensable, perpetual, paid-up, royalty-free, worldwide license to exercise all IP Rights in Seller-Owned IP solely to the extent that such Seller-Owned IP would otherwise interfere with Boeing's, or its suppliers', or customers' use or enjoyment of Services, Buyer Specifications or Buyer-owned IP. In addition, if Buyer cancels all or part of this Contract for Seller default in accordance with the "Cancellation for Default" provision of this Contract, Seller hereby grants Buyer the right to exercise all IP Rights in Seller-Owned IP for the purpose of preventing interruptions to or stoppage of Boeing's production lines or delivery of Boeing's products to customers.

c. **Third-Party IP.** If Seller incorporates third-party IP into any contract deliverable, Seller shall obtain for Buyer at least the license rights granted in subparagraph b. of this Article in such third-party IP, and hereby grants such rights to Buyer.

d. **Foreground IP.** This subparagraph d. shall not apply to unmodified commercial off-the-shelf goods. If Services or goods are developed, modified, or redesigned pursuant to this Contract, then the subparagraphs below apply.

i. All Foreground IP shall be the exclusive property of Buyer except as set forth in subparagraph iv below.

ii. Seller hereby irrevocably assigns to Buyer all right, title, and interest in the Foreground IP. Seller shall protect Foreground IP as Buyer's Proprietary Information and Materials under this Contract and shall mark documents or portions of documents containing Foreground IP as "Boeing Proprietary" information or as otherwise directed by Buyer in writing.

iii. Seller shall, within two (2) months after conception or first actual reduction to practice of any invention and prior to Contract completion, disclose in writing to Buyer all inventions assigned hereunder, whether or not patentable, in sufficient technical detail to clearly convey the invention to one skilled in the art to which the invention pertains. Seller shall promptly execute all written instruments and assist as Buyer reasonably directs in order to file, acquire, prosecute, maintain, enforce, and assign Buyer's Foreground IP rights. If Seller does not or cannot execute instruments or assist Buyer as described above, Seller hereby irrevocably appoints Buyer and any of Buyer's officers and agents as Seller's attorney in fact to act on Seller's behalf and instead of Seller, with the same legal force and effect as if executed by Seller, with respect to executing any such written instruments.

iv. Subparagraphs ii. and iii. above shall not apply to any Foreground IP to the extent that the development of such Foreground IP was performed with funding received by Buyer under a U.S. Government procurement contract, except that any such Foreground IP that modifies, or is a derivative work of, Buyer Background IP, including any suggestions regarding or modifications made to Buyer Specifications, shall be the exclusive property of Buyer, and subparagraphs (ii) and (iii) shall apply to such Seller-developed Foreground IP.

e. **Buyer-Owned IP.** Buyer shall retain ownership of all Buyer IP provided hereunder, including the Buyer Specifications, and of any Foreground IP assigned to Buyer pursuant to subparagraph d. above (collectively, the "Buyer-Owned IP"). Buyer grants to Seller a non-exclusive, royalty-free right during the term of this Contract to exercise all IP Rights in the Buyer-Owned IP solely as necessary for Seller to perform its obligations under this Contract. Seller shall not, without Buyer's prior written consent, use Buyer-Owned IP or any derivative works of any of the Buyer-Owned IP in any manner not authorized under this Contract, including developing, manufacturing, obtaining a certification to manufacture, offering for sale or selling any product, equipment, or service which utilizes or is enabled by Buyer-Owned IP, or using such Buyer-Owned IP or any derivative works of any of the Buyer-Owned IP to train, develop or improve any machine learning or artificial intelligence system.

 - ii. Other than Cost or Pricing Data. To the extent this Contract, or any modification thereof, does not exceed the threshold for submission of certified cost or pricing data in FAR 15.403-4 or is otherwise exempt from the certified cost or pricing data requirements in accordance with FAR 15.403-1(b), Seller shall support and demonstrate to Buyer the reasonableness of any Seller proposals or pricing for this Contract or modification to this Contract, as the case may be, in accordance with FAR 15.402 and FAR 15.404-3(c)(2). Seller shall provide to Buyer such information other than cost or pricing data and any other information necessary to satisfy obligations Buyer may have to its customer demonstrating price reasonableness for proposals and pricing. Buyer shall have the right to examine, reproduce, and audit such Seller records.
- c. Audit of Claims and Invoices. Seller shall provide to Buyer all information supporting Seller's claims pertaining to incurred costs, including Seller's invoices for cost reimbursement, claims arising out of a termination or partial termination of this Contract or out of some other dispute, and Seller's proposals under this Contract that involve unique claims (e.g., obsolescence costs), which must be verified by audit. Buyer shall have the right to examine, reproduce, and audit all such Seller records.
- d. Protection. Seller records disclosed pursuant to this Article shall be protected in accordance with the "Confidential, Proprietary, and Trade Secret Information and Materials" Article.

 - ii. If, as a result of Seller's or its subcontractor's foregoing conduct, the Government imposes a penalty on or charges Buyer interest, Buyer may recover from Seller the amount of that interest or penalty.
 - iii. For the purposes of subparagraphs (e.i) and (e.ii) of this Article, if Buyer is a higher-tier subcontractor, "Government" means the higher-tier contractor and "prime contract" means the higher-tier subcontract.
 - iv. Seller shall not raise as defenses the matters listed in FAR 52.215-10(c)(1) (AUG 2011) or FAR 52.215-11(d)(1) (JUN 2020) unless some other date version or equivalent FAR clause is provided elsewhere in this Contract.
- f. Contract Closeout. Seller shall provide all information and assistance to Buyer so that Buyer may comply with Buyer's obligations in connection with FAR 4.804.

25. SELLER FINANCIAL REVIEW

- a. Seller shall provide financial data as specified below, on a quarterly basis, or as requested, to Buyer for credit and financial condition reviews by Buyer's Enterprise Credit Risk office. If Seller itself is publicly traded (not a subsidiary of a publicly-traded company) and is required to file reports with the Securities and Exchange Commission ("SEC"), Buyer shall obtain Seller financial data from information made available to the general public via 10-K and 10-Q reporting requirements. In the event that Seller does not submit financial statements to the SEC or is no longer required to do so during the term of this Contract, Seller shall provide financial data on a quarterly basis to Buyer. Such financial data shall include balance sheets, schedule of accounts payable and receivable, major lines of credit, creditors, income statements (profit and loss), cash flow statements, firm backlog, and headcount. Copies of such data are to be made available within seventy-two (72) hours of any written request by Buyer. All such information shall be treated as confidential.

26. GOVERNMENT OR OTHER CUSTOMER CLAUSES

Clauses applicable to this Contract from Buyer's contract with its customer, including applicable FAR/DFARS or other agency acquisition regulation clauses, if any, are incorporated elsewhere in this Contract either by attachment or by some other means of reference, and shall prevail as provided for in the "Order of Precedence" Article.

"Act of Terrorism," "Loss," "Qualified Anti-Terrorism Technology," and "Reciprocal Waiver of Claims," are defined in 6 U.S.C. §§ 443 – 444.

28. PUBLICITY AND CUSTOMER COMMUNICATION

Seller assumes all risk of loss, destruction, or damage of such property while in Seller's possession, custody, or control, including any transfer to Seller's subcontractors. Upon request, Seller shall provide Buyer with adequate proof of insurance against such risk of loss. Seller shall not use such property other than in performance of this Contract without Buyer's prior written consent. Seller shall notify Buyer's Authorized Procurement Representative if Buyer's property is lost, damaged, or destroyed. As directed by Buyer's Authorized Procurement Representative, upon completion or termination of this Contract, Seller shall deliver such property, to the extent not incorporated in delivered goods, to Buyer in good condition subject to ordinary wear and tear and normal manufacturing losses. Nothing in this Article limits Seller's use, in its direct contracts with the Government, of property in which the Government has an interest
- b. Government-Owned Property. To the extent that Seller, including any subcontractor thereof, uses U.S. Government property, either furnished to or acquired by Seller under this Contract, in the performance of this Contract, Seller shall manage such property in accordance with FAR 52.245-1 (SEP 2021), unless some other date version or equivalent FAR clause is provided elsewhere in this Contract, as implemented through the requirements of clause E000, which is incorporated by reference into this Contract.

The following provisions shall only apply if and to the extent Seller's personnel enter or perform work at premises owned or controlled by Buyer or Buyer's customer:

- a. Indemnification. Seller shall defend, indemnify, and hold harmless The Boeing Company, its subsidiaries, and their directors, officers, employees, and agents from and against all actions, causes of action, liabilities, claims, suits, judgments, liens, awards, and damages of any kind and nature whatsoever for property damage, personal injury, or death (including injury to or death of employees of Seller or any subcontractor thereof) and all expenses, costs of litigation, and attorneys' fees related thereto or incident to establishing the right to indemnification, arising out of or in any way related to this Contract, the performance thereof by Seller, by any subcontractor thereof, or by other third parties within the control or acting at the direction of Seller, or by any of their respective employees (collectively for the purposes of this paragraph, "Seller Parties"), including the provision of goods, services, personnel, facilities, equipment, support, supervision, or

review. The foregoing indemnity shall apply only to the extent of the negligence or willful misconduct of Seller Parties that occurs while on premises owned or controlled by Buyer. In no event shall Seller's obligations hereunder be limited to the extent of any insurance available to or provided by any Seller Party. Seller expressly waives any immunity under industrial insurance, whether arising out of statute or other source, to the extent of the indemnity set forth in this subparagraph.

- b. Commercial General Liability. Seller shall carry and maintain, and ensure that all subcontractors thereof carry and maintain, throughout the period when work is performed and until final acceptance by Buyer, commercial general liability insurance with available limits of not less than \$2,000,000 per occurrence for bodily injury and property damage combined. Failure of Seller or any subcontractor thereof to furnish certificates of insurance, or to procure and maintain the insurance required herein, or failure of Buyer to request such certificates, endorsements, or other proof of coverage shall not constitute a waiver of Seller's or its subcontractor's obligations hereunder.
- f. Self-Assumption. Any self-insured retention, deductibles, or exclusions in coverage in the policies required under this Article shall be assumed by, for the account of, and at the sole risk of Seller or the subcontractor which provides the insurance and, to the extent applicable, shall be paid by such Seller or subcontractor. Seller waives, and shall ensure that any subcontractor thereof and their respective employees waive, all rights of recovery against Buyer, its subsidiaries and their respective directors, officers, employees, and agents for any such loss, destruction, or damage. At all times, Seller shall, and ensure that all subcontractors thereof shall, use suitable precautions to prevent damage to Buyer's property. If any such property is damaged by the fault or negligence of Seller or any subcontractor thereof, Seller shall promptly and equitably reimburse Buyer for such damage or repair or otherwise make good such property to Buyer's satisfaction. Pending final resolution of any dispute, Seller shall proceed with performance of this Contract according to Buyer's instructions so long as Buyer continues to pay amounts not in dispute.

34. NO WAIVER; RIGHTS AND REMEDIES

Any failures, delays, or forbearances of either Party in insisting upon or enforcing any provisions of this Contract, or in exercising any rights or remedies under this Contract, shall not be construed as a waiver or relinquishment of any such provisions, rights, or remedies; rather, the same shall remain in full force and effect.
- b. Except as expressly and affirmatively disclaimed in writing in this Contract, the rights and remedies set forth herein are cumulative and in addition to any other rights or remedies that the Parties may have at law or in equity. If any provision of this Contract is or becomes void or unenforceable by law, the remainder shall be valid and enforceable. Seller acknowledges and agrees that money damages would not be an adequate remedy for any actual, anticipatory, or threatened breach of this Contract by Seller with respect to its delivery of Services to Buyer.
- c. Seller agrees that Buyer approvals of Seller's technical and quality specifications, drawings, plans, procedures, reports, or other submissions shall not relieve Seller from its obligations to perform all requirements of this Contract.
- d. Buyer may at any time deduct all or any part of the damages resulting from any breach of this Contract from any part of the price still due under this Contract or any other contract between Buyer and Seller.

35. NOTICE TO BUYER OF LABOR DISPUTES

Whenever Seller has knowledge that any actual or potential labor dispute is delaying or threatens to delay the timely performance of this Contract, Seller shall immediately give written notice thereof, including all relevant information, to Buyer.
