5. Prime Contract Special Provisions The following prime contract special provisions apply to this purchase order

FA9451-24-C-X038 Special Provisions .**FA9451-24-C-X038 Special Provisions****Purchase of American-Made Equipment and Products –**

It is the sense of the Congress that an entity that is awarded a funding agreement under the SBIR program of a Federal agency under Section 9 of the Small Business Act should, when purchasing any equipment or a product with funds provided through the funding agreement, purchase only American made equipment and products, to the extent possible in keeping with the overall purpose of that program.

Information Regarding Non-US Citizens Assigned to this Project –

Seller employees requiring access to USAF bases, AFRL facilities, and/or access to U.S. Government Information Technology (IT) networks in connection with the work on this contract must be U.S. citizens. For the purpose of base and network access, possession of a permanent resident card ("Green Card") does not equate to U.S. citizenship. This requirement does not apply to foreign nationals approved by the U.S. Department of Defense or U.S. State Department under international personnel exchange agreements with foreign governments. It also does not apply to dual citizens who possess US citizenship, to include Naturalized citizens. Any waivers to this requirement must be granted in writing by the Contracting Officer prior to providing access. Specific format for waiver request will be provided upon request to the Buyer, who will request the format from the Contracting Officer. The above requirements are in addition to any other contract requirements related to obtaining a Common Access Card (CAC).

For purposes of paragraph (a) above, if an IT network/system does not require AFRL to endorse a Seller's application to said network/system in order to gain access, the organization operating the IT network/system is responsible for controlling access to its system. If an IT network/system requires an U.S. Government sponsor to endorse the application in order for access to the IT network/system; AFRL will only endorse the following types of applications; consistent with the requirements above:

- (1) Seller employees who are U.S. citizens performing work under this contract.
- (2) Seller employees who are non-U.S. citizens and who have been granted a waiver.

Any additional access restrictions established by the IT network/system owner apply.
