Further, should the parties discover an element that has not been provided as a deliverable or categorized under the SLA, the parties shall immediately negotiate whether the element should be delivered, or categorized pursuant to the current MQ-25 Special License Agreement (the "Resolution Process").

As part of the Resolution Process, the Contractor shall make the technical data or computer software element available to select Government personnel pursuant to terms and protections of sub-paragraph D of this clause.

If not delivered and is required in order to meet the intent of the parties as set forth in accordance with paragraph A, the element shall either (1) be categorized and added to the SLA or (2) the Government will continue to have access to the item pursuant to sub-paragraph D of this clause until the Government has exhausted any and all available remedies in accordance with the DFARS related to delivery of the element in dispute.

The Contractor shall include the pertinent portions of this clause in Requests for Proposals (RFPs) to its subcontractors as it aligns to the intent of paragraph A. The Contractor shall notify the Procurement Contracting Officer within 20 business days if any subcontractor or supplier at any tier notifies the Contractor it is unwilling to include this clause in a resulting subcontract or other contractual or legal instrument. Thereafter the parties will actively work to resolve the issue, including where appropriate,

The design data and software design to be delivered shall include no less information or detail than the Contractor requires to perform sustainment activities.

The Government may disclose received RPPI within the Government during the term of this Agreement solely as required for the Purpose. The Government may transmit received RPPI only by using an encryption method substantially similar to that under which it was received. The Government will not use RPPI received under this Agreement for design or manufacture. The Government agrees not to reverse engineer, decompile or disassemble any RPPI received under this Agreement. Notwithstanding the foregoing, nothing in this Agreement shall be interpreted to restrict lawfully reporting waste, fraud, or abuse to a designated Government representative authorized to receive such information.

(4). STANDARD OF CARE. The Government shall exercise reasonable care in satisfying its obligations to protect RPPI.

(6). TERM. Unless earlier terminated by mutual agreement of both parties, the permissions granted under this clause shall terminate on completion of the Resolution Process. Any such expiration or termination will have no effect upon the Government's obligations relative to RPPI disclosed hereunder prior to the effective date of expiration or termination.

(7). RETURN/DESTROY. Upon completion of the Resolution Process, the Government will make best efforts to destroy, as applicable, and to ensure all recipients destroy any RPPI including all copies, provided hereunder, and to destroy, as applicable, any documents derived, made or compiled from RPPI, and will confirm such destruction in writing to Contractor within thirty (30) calendar days of the effective date of completion of the Resolution Process.
