CUSTOMER CONTRACT P1322

CUSTOMER CONTRACT REQUIREMENTS

The following customer contract requirements apply to this Contract to the extent indicated below. If this Contract is for the procurement of commercial products and/or commercial services under a Government prime contract, as defined in FAR Part 2.101, Section 3 replaces the requirements of Sections 1 and 2 below. Please note, the requirements below are developed in accordance with Buyer's prime contract and are not modified by Buyer for each individual Seller or statement of work. Seller will remain at all times responsible for providing to any government agency, Buyer, or Buyer's customer, evidence of compliance with the requirements herein or that such requirements are not applicable to the extent satisfactory to the requesting party.

1. FAR Clauses The following contract clauses are incorporated by reference from the Federal Acquisition Regulation and apply to the extent indicated. In all of the following clauses, "Contractor" and "Offeror" mean Seller.

52.203-6 Restrictions on Subcontractor Sales to the Government (JUN 2020). This clause applies if the contract exceeds the simplified acquisition threshold, as defined in the Federal Acquisition Regulation 2.101 on the date of subcontract award.

52.203-7 Anti-Kickback Procedures (JUN 2020). Buyer may withhold from sums owed Seller the amount of any kickback paid by Seller or its subcontractors at any tier if (a) the Contracting Officer so directs, or (b) the Contracting Officer has offset the amount of such kickback against money owed Buyer under the prime contract. This clause, excluding subparagraph (c)(1), applies if this contract exceeds the threshold specified in FAR 3.502-3(i) on the date of subcontract award.

52.203-8 Cancellation, Rescission, and Recovery of Funds for Illegal or Improper Activity (MAY 2014). This clause applies to this contract if the Seller, its employees, officers, directors or agents participated personally and substantially in any part of the preparation of a proposal for this contract. The Seller shall indemnify Buyer for any and all losses suffered by the Buyer due to violations of the Act (as set forth in this clause) by Seller or its subcontractors at any tier.

52.203-10 Price or Fee Adjustment for Illegal or Improper Activity (MAY 2014). This clause applies only if this contract exceeds the simplified acquisition threshold.

52.203-12 Limitation on Payments to Influence Certain Federal Transactions (JUN 2020). This clause applies if this contract exceeds the threshold specified in FAR 3.808 on the date of subcontract award. Paragraph (g)(2) is modified to read as follows: "(g)(2) Seller will promptly submit any disclosure required (with written notice to Boeing) directly to the PCO for the prime contract. Boeing will identify the cognizant Government PCO at Seller's request. Each subcontractor certification will be retained in the subcontract file of the awarding contractor."

52.203-13 Contractor Code of Business Ethics and Conduct (NOV 2021). This clause applies if this contract exceeds the threshold specified in FAR 3.1004 (a) on the date of contract award and has a performance period of more than 120 days.

52.203-17 Contractor Employee Whistleblower Rights (NOV 2023).

52.204-2 Security Requirements (MAR 2021). The reference to the Changes clause means the changes clause of this Contract. This clause applies only if the Contract involves access to classified material.

52.204-9 Personal Identity Verification of Contractor Personnel. (JAN 2011). This clause applies only if performance under this contract requires Seller to have routine physical access to a Federally-controlled facility and/or routine access to a Federally-controlled information system.

52.204-10 Reporting Executive Compensation And First-Tier Subcontract Awards (JUN 2020). Delete all paragraphs and replace with the following: "If Seller meets the executive

compensation reporting requirements of 52.204-10, Seller shall provide the required executive compensation information by maintaining an active registration in the U.S. government System for Award Management (**SAM**) in accordance with 52.204-7. The required information of 52.204-10 will be made public."

52.204-13 System for Award Management Maintenance. (OCT 2018).

52.204-21 Basic Safeguarding of Covered Information Systems (NOV 2021). This clause applies to the Contract if Seller may have Federal contract information residing in or transiting through its information system.

52.204-23 Prohibition on Contracting for Hardware, Software, and Services Developed or Provided by Kaspersky Lab Covered Entities (DEC 2023). In paragraph (c)(1), the term "Government" means "Government or Buyer" and the term "Contracting Officer" means "Buyer." All reporting required by paragraph (c) shall be reported through Buyer. Seller shall report the information in paragraph (c)(2) to Buyer.

52.204-25 Prohibition on Contracting for Certain Telecommunications and Video Surveillance Services or Equipment (NOV 2021).

Paragraph (b)(2) is deleted. Paragraph (d)(1) is deleted and replaced with the following: "In the event Seller identifies covered telecommunications equipment or services used as a substantial or essential component of any system, or as critical technology as part of any system, during contract performance, or Seller is notified of such by a subcontractor at any tier or any other source, Seller shall report the information in paragraph (d)(2) of this clause via email to Buyer's Authorized Procurement Representative, with the required information in the body of the email."

52.204-27 Prohibition on a ByteDance Covered Application (JUN 2023). In paragraph (b), if an exception has been granted by the Contracting Officer, notice shall be provided to Seller through Buyer.

52.209-6 Protecting the Government's Interests When Subcontracting With Contractors Debarred, Suspended, Proposed for Debarment, or Voluntarily Excluded (JAN 2025). This clause applies if the contract exceeds the threshold specified in FAR 9.405-2(b) on the date of subcontract award. Seller agrees it is not debarred, suspended, proposed for debarment, or voluntarily excluded by the Federal Government. Seller shall disclose to Buyer, in writing, whether as of the time of award of this contract, Seller or its principals is or is not debarred, suspended, proposed for debarment or voluntarily excluded by the Federal Government. This clause does not apply if the contract is for commercially available off-the shelf items.

5. Prime Contract Special Provisions The following prime contract special provisions apply to this purchase order

Proprietary SP Special Provisions -- SSC--H009 ENABLING CLAUSE FOR GOVERNMENT PROGRAM CONTRACTS REQUIRING .

SSC--H009 ENABLING CLAUSE FOR GOVERNMENT PROGRAM CONTRACTS REQUIRING INTERFACE WITH AEROSPACE FRDC CONTRACT SUPPORT (SEP 2022)

Applicable to items and services that are not commercial items or commercial services.

(a) Definition. As used in this clause, "Cost data" is defined as information associated with the programmatic elements of life cycle (concept, development, production, operations, and retirement) of the system/program. As defined, cost data differs from "financial" data, which is defined as information associated with the internal workings of a company or contractor that is not specific to a project or program.

(b) This contract covers the "program" which is under the general program management of Space Systems Command (SSC). The Air Force has entered into a contract with The Aerospace Corporation, a California nonprofit corporation operating a Federally Funded Research and Development Center (FFRDC), for the services of a technical group that will support the DoD/U.S. Government program office by performing General Systems Engineering and Integration, Technical Review, and/or Technical Support including informing the commander or director of the various Department of Defense ("DoD") organizations it supports and any U.S. Government program office of product or process defects and other relevant information, which, if not disclosed to the U.S. Government, could have adverse effects on the reliability and mission success of a U.S. Government program.

1. General Systems Engineering and Integration (GSE&I) deals with overall system definition; integration both within the system and with associated systems; analysis of system segment and subsystem design; design compromises and tradeoffs; definition of interfaces; review of hardware and software, including manufacturing and quality control; observation, review and evaluation of tests and test data; support of launch, flight test, and orbital operations; appraisal of the contractors' technical performance through meetings with contractors and subcontractors, exchange and analysis of information on progress and problems; review of plans for future work; developing solutions to problems; technical alternatives for reduced program risk; providing comments and recommendations in writing to the applicable DoD System Program Manager and/or Project Officer as an independent technical assessment for consideration for modifying the program or redirecting the contractor's efforts; all to the extent necessary to assure timely and economical accomplishment of program objectives consistent with mission requirements.

2. Technical Review (TR) includes the process of appraising the technical performance of the contractor through meetings, exchanging information on progress and problems, reviewing reports, evaluating presentations, reviewing hardware and software, witnessing and evaluating tests, analyzing plans for future work, evaluating efforts relative to contract technical objectives, and providing comments and recommendations in writing to the applicable Air Force Program Manager as an independent technical assessment for consideration for modifying the program or redirecting the contractor's efforts to assure timely and economical accomplishment of program objectives.

3. Technical Support (TS) deals with broad areas of specialized needs of customers for planning, system architecting, research and development, horizontal engineering, or analytical activities for which The Aerospace Corporation is uniquely qualified by virtue of its specially qualified personnel, facilities, or corporate memory. The categories of TS tasks are: Selected Research, Development, Test and Evaluation; Plans and System Architecture; Multi-Program Systems Enhancement; International Technology Assessment; and Acquisition Support.

(c) In the performance of this contract, the Seller agrees to cooperate with the Buyer and The Aerospace Corporation by 1) responding to invitations from authorized U. S. Government personnel to attend meetings; 2) by providing access to technical information and research, development planning data such as, but not limited to, design and development analyses, test data and results, equipment and process specifications, test and test equipment specifications and procedures, parts and quality control procedures, records and data, manufacturing and assembly procedures, and schedule and milestone data, all in their original form or reproduced form and including top-level life cycle cost* data, where available; 3) by delivering data as specified in the contract; 4) by discussing technical matters relating to this program; 5) by providing access to Seller facilities utilized in the performance of this contract; 6) and by allowing observation of technical activities by appropriate technical personnel of Buyer and/or The Aerospace Corporation. The Aerospace Corporation personnel engaged in GSE&I, TR, and/or TS efforts: (i) are authorized access to all such technical information (including proprietary information) pertaining to this contract and may discuss and disclose it to the applicable DoD personnel in a program office; (ii) are authorized to discuss and disclose such technical information (including proprietary information) to the commander or director of the various DoD organizations it supports and any U.S. Government personnel in a program office which, if not disclosed to the U.S. Government, could have adverse effects on the reliability and mission success of a U.S. Government program; and (iii) Aerospace shall make the technical information (including proprietary information) available only to its Trustees, officers, employees, contract labor, consultants, and attorneys who have a need to know.

(d) The Seller further agrees to include in all subcontracts a clause requiring compliance by Seller subcontractor and Seller supplier and succeeding levels of Seller subcontractors and Seller suppliers with

the response and access and disclosure provisions of this Enabling Clause, subject to coordination with the Seller, except for subcontracts for commercial items or commercial services. This agreement does not relieve the Seller of its responsibility to manage the Seller subcontracts effectively and efficiently nor is it intended to establish privity of contract between the Buyer or Government or The Aerospace Corporation and such Seller subcontractors or Seller suppliers, except as indicated in paragraph (e) below.

(e) The Aerospace Corporation shall protect the proprietary information of Buyer, contractors, Seller, Seller subcontractors, and Seller suppliers in accordance with the Master Non-disclosure Agreement The Aerospace Corporation entered into with the Air Force, a copy of which is available upon request. This Master Non-disclosure Agreement satisfies the Nondisclosure Agreement requirements set forth in 10 U.S.C. §2320 (f)(2)(B), and provides that such Buyer, contractors, Seller, Seller subcontractors, and Seller suppliers are intended third-party beneficiaries under the Master Non-disclosure Agreement and shall have the full rights to enforce the terms and conditions of the Master Non-disclosure Agreement directly against The Aerospace Corporation, as if they had been signatory party hereto. Each such Buyer, contractor, Seller, Seller subcontractor, or Seller supplier hereby waives any requirement for The Aerospace Corporation to enter into any separate company-to-company confidentiality or other non-disclosure agreements.

(f) Aerospace shall make the technical information (including proprietary information) available only to its Trustees, officers, employees, contract labor, consultants, and attorneys who have a need to know, and Aerospace shall maintain between itself and the foregoing binding agreements of general application as may be necessary to fulfill their obligations under the Master Non-disclosure Agreement referred to herein, and Aerospace agrees that it will inform Buyer, contractors, Seller, Seller subcontractors, and Seller suppliers if it plans to use consultants, or contract labor personnel and, upon the request of such Buyer, contractor, Seller, Seller subcontractor, or Seller supplier, to have its consultants and contract labor personnel execute non-disclosure agreements directly therewith.

(g) The Aerospace Corporation personnel are not authorized to direct the Seller in any manner.

SSC--H010 ENABLING CLAUSE FOR GOVERNMENT TECHNICAL GROUP (AUG 2023)

(a) Reserved.

(b) Reserved.

(c) Reserved.

(d) In the performance of this contract, the Seller agrees to cooperate by responding to invitations from authorized personnel to attend meetings, by providing access to technical information and research, development planning data such as, but not limited to, design and development analyses, test data and results, equipment and process specifications, test and test equipment specifications and procedures, parts and quality control procedures, records and data, manufacturing and assembly procedures, and schedule and milestone data, all in their original form or reproduced form and excluding financial data, by delivering data as specified in the contract, by discussing technical matters relating to this program, by providing access to Seller facilities utilized in the performance of this contract, and by allowing observation of technical activities by appropriate technical personnel. The personnel engaged in general systems engineering, technical reviews, and integration effort are authorized access to any technical information pertaining to this contract and are bound by their respective Non-Disclosure Agreements (NDAs) with the Government to protect the information they receive.

(e) The Seller further agrees to include in each subcontract a clause requiring compliance by Seller subcontractors and succeeding levels of Seller subcontractors with the response and access provisions of paragraph above, subject to coordination with the Seller. This agreement does not relieve the Seller of its responsibility to manage its subcontracts effectively and efficiently nor is it intended to establish privity of contract between the Buyer or Government or its technical advisors and such Seller subcontractors.

(f) In the performance of this contract, the Seller agrees to provide Buyer, Linquest, Tecolote, Booz Allen Hamilton, Lokahi, and Stellar Solutions access to the contract deliverable cost data of the program. Notwithstanding language contained elsewhere in this contract, Seller and its subcontractors shall not be obligated to disclose proprietary financial information to any non-Government entities providing services to the Government during the proposal or contract execution and management phases of this activity.
