

Independent EEE Part Supplier Requirements - Deliverable

Seller is advised that the parts being procured are considered Electronic, Electrical, and Electromechanical (EEE).

Seller must notify Buyer's Authorized Procurement Representative if the Seller does not meet the following requirement:

1. EEE parts must pass the requirements in the Inspection and Test Plan (ITP) attached to this procurement. The ITP test report in accordance with the ITP and D950-11273-1 must be uploaded to the Customer and Supplier Data Transmittal (CSDT) tool for engineering review prior to delivery of the Goods to Buyer.

Seller shall include the Supply Chain Traceability (CoCT) showing the Parts originated from the Manufacturer including evidence of traceability from the authorized distributor or from the OCM (i.e., packing slips inclusive of supplier name and address), if available with each shipment and maintain it in accordance Seller's Quality Management System and Seller's Counterfeit Part Control Plan requirements.
