

FLYSHEET AN-4 PRECAP INSPECTION

In accordance with requirements of Code 2, Pre-Cap Visual by Boeing-Anaheim site is designated as a Mandatory Inspection Point (MIP).

Subsequent to the Seller's pre-cap visual inspection and prior to lidding/capping of the device, notify the Buyer in accordance with Code 2 requirements that the product is ready for inspection at the Pre-Cap MIP.

Incorporation of this flysheet does not modify any other requirement of the purchase order.
