INDUSTRIAL PARTICIPATION COMMITMENT

By responding to this solicitation, Bidder commits to use its best efforts to cooperate with Boeing in the fulfillment of any Industrial Participation (IP), Offset, Co-Production or similar obligations to certain foreign governments (hereinafter collectively called "IP" obligations) that Boeing may have accepted as a requirement for the sale of products to these foreign customers. Bidder further agrees to provide the foreign subcontracting information required in accordance with Boeing's General Provisions and/or Terms & Conditions.

Boeing reserves the right to evaluate Bidder's IP commitment as a factor in Boeing's evaluation of Bidder's proposal.
