Property Reporting Requirements

Seller will utilize the on-line Tool Configuration System (TCS) to create and submit a Tool Completion Report (TCR) when Special Tooling is fabricated / procured, reworked, or reworked and also re-identified, and Seller is seeking reimbursement as a line item under this Contract.

The TCR will be submitted upon acceptance, in accordance with section 8 of D950-11059-1. If this Contract incorporates the requirements of D33200-1, TCRs will be submitted in lieu of Certified Tool Lists (CTLs) after completion of acceptable first article aircraft hardware.
