

H509

INTERPARTY WAIVER OF LIABILITY

Each party assumes the risk of loss or damage to its own property and the property of its contractors, subcontractors, or suppliers at every tier (except the U.S. Government), and of bodily injury (including death) to its employees and the employees of its contractors and suppliers arising out of the performance of this subcontract, whether or not caused in whole or in part by the negligence of the party. Each party shall indemnify, defend, and save harmless the other party, its officers, agents, employees, contractors, and suppliers at every tier from all claims for damage, loss, or bodily injury, to the extent of the risk which is assumed by the indemnitor under this paragraph.
