H104 ITAR REQUIREMENTS – Licenses for Temporary Imports (DSP-61), Licenses for Temporary Exports (DSP-73), ATF Permits & ITAR Import Exemptions (Variable)

The import, export, or re-export of defense articles, from or to the United States, including technical data, delivered or exchanged pursuant to this purchase contract are subject to U.S. Government import/export laws and regulations. The parties shall comply with such laws and regulations. The importer/exporter of record shall obtain and properly utilize any required U.S. import/export authorization. If so requested by the importer of record, the other party shall assist in obtaining such authorization. If U.S. government import/export authorization is not available, cannot be obtained or is obtained and subsequently revoked, items to be delivered or exchanged pursuant to this contract shall not be imported, exported or re-exported. Resale or other transfer of articles delivered or exchanged pursuant to this purchase contract shall be in accordance with this provision.

When shipping any defense article end item to Boeing in the U.S., Seller shall include the below listed ITAR authorization on Seller's commercial invoice, as applicable. Failure to do so will result in a delay of U.S. Customs clearance.
