DOD MATERIAL CONDITION TAG

Seller shall affix the correct and properly completed DOD Material Condition tags / labels (e.g. DD Form 1574 (series), SERVICEABLE TAG - MATERIAL or DD Form 1577 (series), UNSERVICEABLE (CONDEMNED) TAG – MATERIAL). One Material Condition tag or label shall be affixed to the item and one shall be applied to the outside identification side of the shipping container. If several items or unit packs are placed in a single shipping container, then each item or unit pack must be labeled or tagged. Material Condition tag affixed outside the shipping container must be immediately visible and shall be of water-resistant material or protected by water-resistant transparent tape or envelope. Each Material Condition tag shall include the Seller's inspector stamp and the Government prime contract number referenced in the contract.
