SPARES PROVISIONING

Initial and/or replenishment spare parts for the supplies acquired hereunder will be provisioned concurrently with production releases to the extent possible. For those provisioning orders issued concurrently with production releases (or in such a manner as to permit production concurrently with production releases), either under this Purchase Order/Contract or under a separate spare parts agreement, the price for each item shall not exceed the price of the same item under the production release, except for special handling and packaging costs applicable to spare parts.
