(2) The objective of this clause is to establish a cross-waiver of liability by the parties and related entities in the interest of encouraging participation in the exploration, exploitation, and use of outer space. This cross-waiver of liability shall be broadly construed to achieve this objective.

(6) Notwithstanding the other provisions of this clause, this cross-waiver of liability shall not be applicable to:

(A) claims between a Party and its own related entity or between its own related entities;

(B) claims made by a natural person, his or her estate, survivors, or subrogees for injury or death of such natural person;
(C) claims for damage caused by willful misconduct;

(4) Immediate notification is not required for incidents and potential mishaps. However, a written report shall be provided within 7 days of such occurrences.

(5) Seller shall promptly notify the Contracting Officer (through MDC's authorized purchasing representative) in writing, with a copy to the GSFC Safety and Health Branch, Code 205.2, of the nonconformance of any Government-furnished property with the requirements of the clause.

(f) Seller's Conduct While on Government Premises
(1) Access. A portion or all of the effort required to be accomplished under this contract may be performed at the Goddard Space Flight Center (GSFC) or other NASA installations or sites.
