

- 1. FORMATION OF CONTRACT.** This proposed purchase contract, which incorporates by reference these General Provisions and all other terms and conditions set forth in this proposed purchase contract (collectively, the "Contract"), is Buyer's offer to purchase the goods and services (collectively, the "Services") described in this offer. Acceptance is strictly limited to the terms and conditions included in this offer. Unless specifically agreed to in writing by Buyer's Authorized Procurement Representative, Buyer objects to, and is not bound by, any term or condition that differs from or adds to this offer. Seller's commencement of performance or acceptance of this offer in any manner shall conclusively evidence acceptance of this offer as written. Seller's provision of the Services shall be governed solely by this Contract. Buyer and Seller are referred to herein as a "Party" or collectively as the "Parties."
- 2. SCOPE OF SERVICES.** During the term of this Contract, Seller shall furnish the Services set forth in the Contract.
- 3. INDEPENDENT CONTRACTOR.** Seller is an independent contractor for all purposes. Seller shall have complete control over the performance of, and the details for accomplishing, the Services. In no event shall Seller or its agents, representatives or employees be deemed to be agents, representatives or employees of Buyer. Seller's employees shall be paid exclusively by Seller for all Services performed. Seller shall comply with all requirements and obligations relating to such employees under federal, state and local law (or foreign law, if applicable). Such compliance shall include, but not be limited to, laws regarding minimum wages, social security, unemployment insurance, federal and state income taxes and workers' compensation insurance.
- 4. STANDARDS.** Seller shall assign personnel satisfactory to Buyer. At any time and for any reason, Buyer may require Seller to withdraw the services of any person and require that Seller promptly provide replacements for such persons satisfactory to Buyer. In addition to the other indemnification provisions within this Contract, Seller specifically agrees to indemnify and hold harmless Buyer from and against any liabilities, claims, charges or suits for alleged losses, costs, damages or expenses arising from Buyer's exercise of its rights hereunder.
- 5. WARRANTY.** Seller warrants that all Services performed hereunder shall be performed by employees or agents of Seller who are experienced and skilled in their profession and in accordance with industry standards. Seller further warrants that all Services performed under this Contract, at the time of acceptance, shall be free from defects in workmanship and conform to the requirements of this Contract. This warranty shall survive inspection, test, and acceptance of, and payment for, the Services and shall begin after Buyer's final acceptance of the Services. Buyer shall give written notice of any defect or nonconformance to Seller within one year from the date of acceptance by Buyer. Buyer may, at its option, either (i) require correction or reperformance of any defective or nonconforming Services, or (ii) make an equitable adjustment in the price of this Contract. If Seller is required to correct or reperform the Services, such correction or reperformance shall be at Seller's expense. Any Services corrected or reperformed shall be subject to this article to the same extent as Services initially performed. If Seller fails or refuses to correct or reperform, Buyer may correct or replace with similar services and charge Seller for any cost to Buyer, or make an equitable adjustment in the price of this Contract.
- 6. TAXES.** Unless this Contract specifies otherwise, the price of this Contract includes, and Seller is liable for and shall pay, all taxes, impositions, charges and exactions imposed on or measured by this Contract except for applicable sales and use taxes that are separately stated on Seller's invoice. Prices shall not include any taxes, impositions, charges or exactions for which Buyer has furnished a valid exemption certificate or other evidence of exemption.
- 7. INVOICE AND PAYMENT.** As compensation for Services to be performed by Seller, Buyer shall pay Seller as set forth in this Contract. Buyer shall have no liability for any other expenses or costs incurred by Seller. Payment due date, including discount periods, shall be computed from the date of the later of the scheduled delivery date of Service, the actual delivery date of Service or the date of receipt of a correct invoice. Payment shall be deemed to have been made on the date the Buyer's check is mailed or payment is otherwise tendered. Seller shall promptly repay to Buyer any amounts paid in excess of amounts due Seller. Except for amounts invoiced under articles 11 or 12, Seller shall be deemed to have waived all charges and fees that are not invoiced within ninety (90) calendar days after the end of the calendar year in which the charges were incurred.
- 8. CHANGES**
 - a. Buyer's Authorized Procurement Representative may, without notice to sureties and in writing, direct changes within the general scope of this Contract in any of the following: (i) technical requirements and descriptions, specifications, statement of work, drawings or designs; (ii) shipment or packing methods; (iii) place of delivery, inspection or acceptance; (iv) reasonable adjustments in quantities or delivery schedules or both; (v) amount of Buyer-furnished property; (vi) terms and conditions of this Contract required to meet Buyer's obligations under Government prime contracts or subcontracts; and, if this Contract includes services, (vii) description of services to

be performed; (viii) the time of performance (e.g., hours of the day, days of the week, etc.); and (ix) place of performance. Seller shall comply promptly with such direction. Except for the rights granted to Buyer under this article, a change pursuant to this article shall not give rise to nor authorize any other modification of or amendment to the terms and conditions of this Contract.

- b. If such change increases or decreases the cost or time required to perform this Contract, Buyer and Seller shall negotiate an equitable adjustment in the price or schedule, or both, to reflect the increase or decrease. Buyer shall modify this Contract in writing accordingly. Unless otherwise agreed in writing, Seller must assert any claim for adjustment to Buyer's Authorized Procurement Representative in writing within 25 days, and deliver a fully supported proposal to Buyer's Authorized Procurement Representative within 60 days, after Seller's receipt of such direction. Buyer may, at its sole discretion, consider any claim regardless of when asserted. If Seller's proposal includes the cost of property made obsolete or excess by the change, Buyer may direct the disposition of the property. Buyer may examine Seller's pertinent books and records to verify the amount of Seller's claim. Failure of the Parties to agree upon any adjustment shall not excuse Seller from performing in accordance with Buyer's direction.
- c. If Seller considers that Buyer's conduct constitutes a change, Seller shall notify Buyer's Authorized Procurement Representative immediately in writing as to the nature of such conduct and its effect upon Seller's performance. Pending direction from Buyer's Authorized Procurement Representative, Seller shall take no action to implement any such change.

9. DISPUTES. Any dispute that arises under or is related to this Contract that cannot be settled by mutual agreement of the Parties may be decided by a court of competent jurisdiction. Pending final resolution of any dispute, Seller shall proceed with performance of this Contract according to Buyer's instructions so long as Buyer continues to pay amounts not in dispute.

10. FORCE MAJEURE. Seller shall not be liable for the excess re-procurement costs pursuant to the "Cancellation for Default" article of this Contract incurred by Buyer because of any failure to perform this Contract under its terms if the failure arises from causes beyond the control and without the fault or negligence of Seller. Examples of these causes are: (a) acts of God or of the public enemy; (b) acts of the Government in either its sovereign or contractual capacity; (c) fires; (d) floods; (e) epidemics; (f) quarantine restrictions; (g) strikes; (h) freight embargoes; and (i) unusually severe weather. In each instance, the failure to perform must be beyond the control and without the fault or negligence of Seller. If the Seller's failure is caused by a the failure of a subcontractor of Seller and if such failure arises out of causes beyond the reasonable control of both, and if such failure is without the fault or negligence of either, Seller shall not be liable for excess re-procurement costs unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Seller to meet the required delivery schedules. Seller shall notify Buyer in writing within ten (10) days after the beginning of any such cause(s). In all cases, Seller shall use reasonable efforts to avoid or minimize all such failures, including exercising work-around plans or obtaining the Services from other sources; otherwise Seller shall be liable for excess re-procurement costs.

11. TERMINATION FOR CONVENIENCE. Buyer reserves the right to terminate this Contract, or any part hereof, for its sole convenience. In the event of such termination, Seller shall immediately cease all work hereunder and shall immediately cause any and all of its suppliers and subcontractors to cease work. In case of termination for convenience by Buyer of all or any part of this Contract, Seller may submit a claim to Buyer within 60 days after the effective date of termination for fees owing for Services provided prior to the effective date of such termination. In no event shall Buyer be obligated to pay Seller any amount other than the Contract price for Services provided by Seller prior to the date of such termination. The provisions of this article shall not limit or affect the right of Buyer to cancel this Contract for default.

12. CANCELLATION FOR DEFAULT

- a. Buyer may, by written notice to Seller, cancel all or part of this Contract: (i) if Seller fails to deliver the Services within the time specified by this Contract or any written extension; (ii) if Seller fails to perform any other provision of this Contract or fails to make progress, so as to endanger performance of this Contract, and, in either of these two circumstances, within ten (10) days after receipt of notice from Buyer specifying the failure, does not cure the failure or provide Buyer with a written detailed plan adequate to cure the failure if such failure reasonably cannot be cured within such ten (10) days and such plan is acceptable to Buyer's Authorized Procurement Representative; or (iii) in the event of Seller's bankruptcy, suspension of business, insolvency, appointment of a receiver for Seller's property or business, or any assignment, reorganization or arrangement by Seller for the benefit of its creditors.
- b. Seller shall continue Services not canceled. If Buyer cancels all or part of this Contract, Seller shall be liable for Buyer's excess re-procurement costs.
- c. Buyer may require Seller to transfer title and deliver to Buyer, as directed by Buyer, any (i) completed goods, and (ii) any partially completed goods and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information and

- d. Buyer shall pay the Contract price for goods accepted. In addition, any payment for Manufacturing Materials accepted by Buyer and for the protection and preservation of property shall be at a price determined in accordance with the "Termination for Convenience" article of this Contract, except that Seller shall not be entitled to profit. Buyer may withhold from any amount due under this Contract any sum Buyer determines to be necessary to protect Buyer or Buyer's customer against loss because of outstanding liens or claims of former lien holders.
- e. If, after cancellation, it is determined that Seller was not in default, the rights and remedies of the Parties shall be as if the Contract had been terminated according to the "Termination for Convenience" article of this Contract.

13. ASSIGNMENT, DELEGATION AND SUBCONTRACTING. Seller shall not assign (whether voluntary, involuntary, by merger, change of control, consolidation, dissolution, operation of law, transfer, or any other manner) any of its rights or interest in this Contract or subcontract for all or substantially all of its performance of this Contract without Buyer's prior written consent. Seller shall not delegate any of its duties or obligations under this Contract. Seller may assign its right to monies due or to become due. Any attempt to assign or delegate in violation of this article is void. No assignment, delegation or subcontracting by Seller, with or without Buyer's consent, shall relieve Seller of any of its obligations under this Contract or prejudice any of Buyer's rights against Seller whether arising before or after the date of any assignment. This article does not limit Seller's ability to purchase standard commercial supplies or raw materials.

Such certificates shall be kept current and in compliance throughout the period when work is being performed and until final acceptance by Buyer, and shall provide for 30 days advance written notice to Buyer in the event of cancellation. Failure of Seller or any subcontractor thereof to furnish certificates of insurance, or to procure and maintain the insurance required herein or failure of Buyer to request such certificates, endorsements or other proof of coverage shall not constitute a waiver of Seller's or subcontractor's obligations hereunder.

- f. Self-Assumption. Any self-insured retention, deductibles and exclusions in coverage in the policies required under this article shall be assumed by, for the account of and at the sole risk of Seller or the subcontractor which provides the insurance and to the extent applicable shall be paid by such Seller or subcontractor. If Seller fails to do so, Buyer may do so and recover from Seller the cost thereof.
- h. Evidence of Citizenship or Immigrant Status. (i) Buyer may be required to obtain information concerning citizenship or immigrant status of Seller's personnel or Seller's subcontractor personnel entering the premises of Buyer. Consistent with all applicable local statutes and regulations including those provisions that permit Seller to provide such information when such provision is consented to by Seller's personnel or Seller's subcontractor personnel, Seller shall furnish such information before commencement of work and at any time thereafter before substituting or adding new personnel to work on Buyer's premises. If Seller determines that it may submit such information, it shall be certified by an authorized representative of Seller as being true and correct. Seller acknowledges that if it is unable to provide such information and certification, access to Buyer premises may be limited due to Buyer compliance with applicable U.S. export control statutes and regulation. (ii) With respect to Seller personnel or Seller's subcontractor personnel entering the premises of Buyer to perform work under this Contract, Seller specifically agrees that it is, and will remain, in compliance with the United States statute known as the Immigration Reform and Control Act of 1986, as amended, and will permit Buyer, upon reasonable notice, to inspect and audit Seller's records documenting such compliance with respect to said personnel to the extent allowable under all applicable local statutes and regulations. Upon request, Seller shall provide Buyer with adequate proof of insurance against such risk of loss. Seller shall not use such property other than in performance of this Contract without Buyer's prior written consent. Seller shall notify Buyer's Authorized Procurement Representative if Buyer's property is lost, damaged or destroyed. As directed by Buyer, upon completion, termination or cancellation of this Contract, Seller shall deliver such property, to the extent not incorporated in delivered materials, to Buyer in good condition subject to ordinary wear and tear and normal manufacturing losses. Buyer and/or its customer will duly notify Seller of any such claim, suit or action. Seller will, at its own expense, fully defend such claim, suit or action on behalf of the indemnitees. Seller will have no obligation under this article with regard to any infringement arising from (a) the compliance of Seller's new product design with formal specifications issued by Buyer where infringement could not be avoided in complying with such specifications or (b) use or sale of Services for other than their intended application in combination with other items when such infringement would not have occurred from the use or sale of those Services solely for the purpose for which they were designed or sold by Seller. For purposes of this article only, the term Buyer will include The Boeing Company and all Boeing subsidiaries and all officers, agents and employees of Boeing or any Boeing subsidiary.

19. CONFIDENTIAL, PROPRIETARY AND TRADE SECRET INFORMATION AND MATERIALS

Upon the reassignment, resignation, or termination of any Seller Personnel with Electronic Access, Seller shall promptly submit a written request to Buyer to terminate such Electronic Access.

Where access is granted, Seller shall be responsible for obtaining all export licenses required, where applicable, for each Seller Personnel, including to allow such Seller Personnel to perform the work to which he or she is assigned, and Seller shall comply with any additional export control restrictions as required by applicable U.S. export control statutes and regulations.
- f. Breach and Remedies.
