20. CONFIDENTIAL, PROPRIETARY, AND TRADE SECRET INFORMATION AND MATERIALS
a. Buyer and Seller shall each keep confidential and protect from unauthorized use and disclosure all (i) confidential, proprietary and/or trade secret information of a Party or third party disclosed by a Party; (ii) software provided under this Contract in source code form or identified as subject to this Article; and (iii) tooling identified as subject to this Article: in each case that is obtained, directly or indirectly, from the other in connection with this Contract or Buyer’s contract with its customer, if any, (collectively referred to as “Proprietary Information and Materials”). Proprietary Information and Materials excludes information that is, as evidenced by competent records provided by the receiving Party, known to the receiving party or lawfully in the public domain, in the same form as disclosed hereunder, disclosed to the receiving Party without restriction by a third party having the right to disclose it, or developed by the receiving Party independently without use of or reference to the disclosing Party’s Proprietary Information and Materials.
b. Buyer and Seller shall use Proprietary Information and Materials disclosed by the other Party only to perform and for the purpose of this Contract, other contracts between the Parties, and Buyer's contract with its customer, if any and shall not disclose such Proprietary Information and Materials to any third party except as expressly set forth herein. Buyer may also, at any time, use, reformat, copy or disclose Seller's Proprietary Information and Materials to: (i) to fulfill Buyer’s obligations under this Contract, other contracts with Seller, and Buyer’s contract with its customer, if any; (ii) test, certify, use, sell or support Services delivered under this Contract or Buyer’s product containing such Services; (iii) evaluate Seller products and proposals, develop solicitations for Seller products and develop interfaces or parameters for Boeing products; (iv) perform or obtain data analysis or risk mitigation; (v) obtain data storage, hosting and other outsourced services and (vi) ensure regulatory or legal compliance. Any such disclosure by Buyer shall, when appropriate, include a suitable restrictive legend.

c. Seller may disclose Proprietary Information and Materials of Buyer to its subcontractors as required to perform this Contract, if Seller includes a suitable restrictive legend on such disclosures, and if each such subcontractor has agreed in writing to obligations no less restrictive than those imposed upon Seller under this Article. Seller shall be liable to Buyer for any breach of such obligation by such subcontractor.

d. A Party may disclose received Proprietary Information and Materials in response to a subpoena or court order, if the receiving Party has used reasonable efforts to give the disclosing Party advance written notice of such requirement to allow the disclosing Party to: (i) seek a protective order or other remedy; (ii) consult with respect to resisting or narrowing the scope of such requirement; or (iii) modify or waive compliance with this Article. If such protective order or remedy is not timely obtained, the receiving Party shall use commercially reasonable efforts to disclose only Proprietary Information and Materials legally required to be disclosed and to require confidential treatment of such disclosure.

e. Upon Buyer's request, and in any event upon the completion, termination or cancellation of this Contract, Seller shall return to Buyer all of Buyer's Proprietary Information and Materials and all materials derived therefrom, unless Buyer specifically directs otherwise in writing. Seller shall not dispose of (as scrap or otherwise) any Services, parts or other materials containing, conveying, embodying or made in accordance with or by reference to Buyer Proprietary Information and Materials without rendering them unusable. Further, Seller shall not, without a separate license agreement or other written approval from Buyer, make, use, or sell any Services, parts or materials containing, conveying, embodying or made in accordance with or by reference to Buyer Proprietary Information and Materials of Buyer except as required to perform this Contract.

f. The provisions of this Article are effective notwithstanding of any restrictive legends or notices on Proprietary Information and Materials and shall survive the completion, termination or cancellation of this Contract. Buyer shall have the right to audit Seller's compliance with this Article.

21. INTELLECTUAL PROPERTY INDEMNITY

Seller shall indemnify, defend and hold harmless Buyer and its customer from all claims, suits, actions, awards (including but not limited to awards based on intentional infringement of patents), liabilities, damages, costs and attorneys' fees related to the actual or alleged infringement of any intellectual property right or misappropriation or wrongful use of information or documents, and arising out of or related to the use, manufacture, reproduction, sale or other distribution of Services by Buyer or its customer. Buyer and/or its customer shall timely notify Seller of any such claim, suit or action. Seller shall, at its own expense, defend such claim, suit or action and Buyer shall have the right to participate in the defense at its own expense. Seller shall have no obligation to indemnify Buyer for infringement arising from: (i) the compliance of Seller's new product design with formal specifications issued by Buyer where infringement could not be avoided in complying with such specifications or (ii) use or sale of Services for other than their intended application when such infringement would not have occurred from the use or sale of those Services solely for the purpose for which they were designed or sold by Seller. The exception in (i) above shall not apply if the infringement arises out of adherence to one or more industry standards or regulatory requirements. For purposes of this Article only, the term Buyer shall include The Boeing Company, all Boeing subsidiaries and all officers, agents and employees of Boeing or its subsidiaries.

22. INTELLECTUAL PROPERTY

a. Definitions:

"Intellectual Property" or ("IP") means inventions, discoveries and improvements; know-how, works of authorship, technical data, drawings, specifications, process information, reports and documented information; and computer software.

"IP Rights" means all worldwide common law and statutory rights to the IP, including but not limited to rights under patents, industrial designs, trade secrets, copyrights and mask work registrations.

"Background IP" means all IP and IP Rights owned or controlled by Seller prior to the effective date or outside the scope of this Contract.

"Foreground IP" means IP and IP Rights conceived, developed or created by, for or with Seller either alone or with third parties, in the performance of this Contract, including modifications to any Buyer Specification suggested by Seller.

"Buyer Specifications" means performance specifications, specification control documentation, interface control
documents, schematics, definitions, configurations, and certification data, and all IP Rights therein, used or intended to
be used by Boeing: (i) to establish and define (1) requirements for Services and associated processes, service level,
system specification, certification, and configuration; and (2) architecture descriptions for Services and associated
processes, service, and system; and (ii) to procure and certify Services or similar products and to assure integration of
Services or similar product with a Boeing product or other systems and equipment included in a Boeing product.

b. **Seller-Owned IP.** Seller shall retain ownership of its Background IP and any Foreground IP not assigned to Buyer pursuant to paragraph d. below (collectively, the “Seller-Owned IP”). Seller grants to Buyer an irrevocable, nonexclusive, sublicensable, perpetual, paid-up, royalty-free, worldwide license to exercise all IP Rights in Seller-Owned IP solely to the extent that such Seller-Owned IP would otherwise interfere with Boeing’s or its suppliers’, or Customers’ use or enjoyment of Services, Buyer Specifications or Buyer-owned IP. In addition, if Buyer cancels all or part of this Contract for Seller default in accordance with the “Cancellation for Default” provision of this Contract, Seller hereby grants Buyer the right to exercise all IP Rights in Seller-Owned IP for the purpose of preventing interruptions to or stoppage of Boeing’s production lines or delivery of Boeing’s products to Customers.

c. **Third Party IP.** If Seller incorporates third-party IP into any contract deliverable, Seller shall obtain for Buyer at least the license rights granted in paragraph b of this Article in such third-party IP, at no additional cost to Buyer and hereby grant such rights to Buyer.

d. **Foreground IP.** This subparagraph d shall not apply to unmodified commercial off-the-shelf goods. If Services or goods are developed, modified or redesigned pursuant to this Contract then the paragraphs below apply.

   i. All Foreground IP shall be the exclusive property of Buyer.

   ii. Seller hereby irrevocably assigns to Buyer all right, title and interest in the Foreground IP for no additional charge. Seller shall protect Foreground IP as Proprietary Information and Materials under this Contract and shall mark documents or portions of documents containing Foreground IP as “Boeing Proprietary” information or as otherwise directed by Buyer in writing.

   iii. Seller shall, within two (2) months after conception or first actual reduction to practice of any invention and prior to Contract completion, disclose in writing to Buyer all inventions assigned hereunder, whether or not patentable, in sufficient technical detail to clearly convey the invention to one skilled in the art to which the invention pertains. Seller shall promptly execute all written instruments, and assist as Buyer reasonably directs in order to file, acquire, prosecute, maintain, enforce and assign Buyer’s Foreground IP rights. If Seller does not or cannot execute instruments or assist Buyer as described above, Seller hereby irrevocably appoints Buyer and any of Buyer’s officers and agents as Buyer’s attorney in fact to act on Seller’s behalf and instead of Seller, with the same legal force and effect as if executed by Seller, with respect to executing any such written instruments.

e. **Buyer-Owned IP.** Buyer shall retain ownership of all Buyer IP provided hereunder, including the Buyer Specifications, and of any Foreground IP assigned to Buyer pursuant to paragraph d. above (collectively, the “Buyer-Owned IP”). Buyer grants to Seller a non-exclusive, royalty-free right during the term of this Contract to exercise all IP Rights in the Buyer-Owned IP solely as necessary for Seller to perform its obligations under this Contract. Seller shall not, without Buyer’s prior written consent, use Buyer-Owned IP or any derivative works of any of the Buyer-Owned IP in any manner not authorized under this Contract, including but not limited to developing, manufacturing, obtaining a certification to manufacture, offering for sale or selling any product, equipment, or service which utilizes or is enabled by Buyer-Owned IP.

23. **TAXES**
The price of this Contract includes, and Seller is liable for and shall pay, all taxes, impositions, charges and exactions imposed on or measured by this Contract except for applicable sales and use taxes that are separately stated on Seller's invoice. Prices shall not include any taxes, impositions, charges or exactions for which Buyer has furnished a valid exemption certificate or other evidence of exemption.

24. **FINANCIAL RECORDS AND AUDIT**
a. Seller shall maintain complete and accurate books, records and documents pertaining to the time worked, costs, expenses and allowances incurred in the performance of this Contract in sufficient detail to properly reflect all net costs (direct and indirect) of labor, materials, equipment supplies, services and other costs and expenses for which reimbursement or compensation is claimed. The labor hours shall be supported by a timekeeping system acceptable to Buyer and shall include evidence of actual payment. Buyer shall have the right to assign representatives to Seller’s plant for the purpose of verifying the number and type of direct hours being incurred and making such audit and check of Seller’s activities as may be reasonably required. Material charges shall be supported by paid invoices or storeroom requisitions. When Buyer-furnished property is used, a copy of Buyer’s shipper shall be kept in Seller’s files for auditing purposes. Such records shall be made available to Buyer, upon request, for examination, reproduction and audit from the date of this Contract until three (3) years after final payment hereunder. As a result of any audit performed by Buyer, payments previously made to Seller shall be subject to adjustment for over payment or under payment, respectively. Seller shall submit its final invoice promptly after completion of work. Upon approval of Seller’s final invoice and substantiating
documentation and upon compliance by Seller with all terms of this Contract, Buyer shall promptly pay any balance due to Seller.

b. Upon request, Seller shall make available to Buyer data relative to payroll policies and procedures, including collective bargaining agreements with respect to wage payments for straight time, overtime, holidays, etc.

c. Seller shall retain all financial records and documents pertaining to Services for a period of no less than three (3) years after final payment. Such records and documents shall date back to the time this Contract was issued and shall include, without limitation, catalogs, price lists, invoices, underlying data and basis for cost estimates, and inventory records. Buyer shall have the right to examine, reproduce and audit all Seller records related to pricing, performance and proposed costs associated with any proposals (prior to or after contract award), invoices or claims.

25. SELLER FINANCIAL REVIEW

   a. Seller shall provide financial data as specified below on a quarterly basis, or as requested, to Buyer for credit and financial condition reviews by Buyer’s Enterprise Credit Risk office. If Seller is publicly traded and is required to file reports with the Securities and Exchange Commission (“SEC”), Buyer shall obtain Seller financial data from information made available to the general public via 10-K and 10-Q reporting requirements. In the event that Seller does not submit financial statements to the SEC or is no longer required to do so during the term of this Contract, Seller shall provide financial data on a quarterly basis to Buyer. Such financial data shall include but is not limited to balance sheets, schedule of accounts payable and receivable, major lines of credit, creditors, income statements (profit and loss), cash flow statements, firm backlog, and headcount. Copies of such data are to be made available within seventy-two (72) hours of any written request by Buyer. All such information shall be treated as confidential.

   b. This provision shall not apply if Seller is a nonprofit education or research institution associated with state or provincial universities, an agency of the United States government or of state governments, and entity that is at least fifty percent (50%) directly owned by Buyer, or an individual providing Services when the individual is the sole employee (inclusive of subcontractors) of the Seller.

26. GOVERNMENT OR OTHER CUSTOMER CLAUSES

   a. Government or other Buyer customer clauses applicable to this Contract from Buyer’s contract with its customer, if any, are incorporated elsewhere in this Contract either by attachment or by some other means of reference.

   b. In addition, the clause(s) below are incorporated by reference, as if fully set forth herein, from the Federal Acquisition Regulation (“FAR”) and/or Defense Federal Acquisition Regulation Supplement (“DFARS”) and apply to the extent indicated therein. Except as may be otherwise stated, “Contractor,” “Offeror” or any equivalent terms means Seller, “Government,” “Contracting Officer” or any equivalent terms mean Buyer, and all references to a “Disputes” clause shall mean the “Disputes” Article of this Contract. The effective version of each clause listed shall be the latest version published on the date this Contract is issued. The full text of a clause may be accessed electronically at https://www.acquisition.gov/content/regulations.

52.204-25 Prohibition on Contracting for Certain Telecommunications and Video Surveillance Services or Equipment. Paragraph (b) is deleted and replaced with the following: “Seller is prohibited from providing Buyer with covered telecommunications equipment or services, or with any equipment, systems, or services that use covered equipment or services regardless of whether that use is in performance of work under a U.S. Government contract.” Paragraph (c) is deleted in its entirety. Paragraph (d)(1) is deleted and replaced with the following: “In the event Seller identifies covered telecommunications equipment or services provided to Buyer during contract performance, or Seller is notified of such by a subcontractor at any tier or any other source, Seller shall report the information in paragraph (d)(2) of this clause via email to Buyer’s Authorized Procurement Representative, with the required information in the body of the email.”

27. RESERVED

28. PUBLICITY

   Without Buyer’s prior written approval, Seller shall not, and Seller’s subcontractors at any tier shall not, release any publicity, advertisement, news release or denial or confirmation of same regarding this Contract or the Services or program to which it pertains. Seller shall be responsible to Buyer for any breach of such obligation by any subcontractor.

29. PROPERTY MANAGEMENT

   Seller shall clearly mark, maintain an inventory of and keep segregated or identifiable all of Buyer’s property and all property to which Buyer acquires an interest by virtue of this Contract. Seller assumes all risk of loss, destruction or damage of such property while in Seller’s possession, custody or control, including but not limited to any transfer to Seller’s subcontractors. Upon request, Seller shall provide Buyer with adequate proof of insurance against such risk of loss. Seller shall not use such property other than in performance of this Contract without Buyer’s prior written consent. Seller shall notify Buyer’s Authorized Procurement Representative if Buyer’s property is lost, damaged or destroyed. As directed by Buyer’s Authorized
Procurement Representative, upon completion, termination or cancellation of this Contract, Seller shall deliver such property, to the extent not incorporated in delivered materials, to Buyer in good condition subject to ordinary wear and tear and normal manufacturing losses. Nothing in this Article limits Seller’s use, in its direct contracts with the Government, of property in which the Government has an interest.

30. INDEMNIFICATION, INSURANCE AND PROTECTION OF PROPERTY
The following provisions shall only apply if and to the extent Seller’s personnel enter or perform work at premises owned or controlled by Buyer or Buyer's customer.

a. Indemnification. Seller shall defend, indemnify and hold harmless The Boeing Company, its subsidiaries, and their directors, officers, employees and agents from and against all actions, causes of action, liabilities, claims, suits, judgments, liens, awards and damages of any kind and nature whatsoever for property damage, personal injury or death (including without limitation injury to or death of employees of Seller or any subcontractor thereof) and expenses, costs of litigation and counsel fees related thereto or incident to establishing the right to indemnification, arising out of or in any way related to this Contract, the performance thereof by Seller or any subcontractor thereof or other third parties within the control or acting at the direction of Seller, or any of their respective employees (collectively for the purposes of this paragraph, “Seller Parties”), including, without limitation, the provision of goods, services, personnel, facilities, equipment, support, supervision or review. The foregoing indemnity shall apply only to the extent of the negligence or willful misconduct of Seller Parties that occurs while on premises owned or controlled by Buyer. In no event shall Seller’s obligations hereunder be limited to the extent of any insurance available to or provided by Seller or any subcontractor thereof. Seller expressly waives any immunity under industrial insurance, whether arising out of statute or other source, to the extent of the indemnity set forth in this paragraph.

b. Commercial General Liability. Seller shall carry and maintain, and ensure that all subcontractors thereof carry and maintain, throughout the period when work is performed and until final acceptance by Buyer, Commercial General Liability insurance with available limits of not less than $2,000,000 per occurrence for bodily injury and property damage combined. Such insurance shall contain coverage for all premises and operations, broad form property damage, contractual liability (including, without limitation, that specifically assumed under paragraph a herein) and goods and completed-operations insurance with limits of not less than $1,000,000 per occurrence for a minimum of twenty-four (24) months after final acceptance of the work by Buyer. Such insurance shall not be maintained on a per-project basis unless the respective Seller or subcontractor thereof does not have blanket coverage.

c. Automobile Liability. If licensed vehicles shall be used in connection with the performance of the work, Seller shall carry and maintain, and ensure that any subcontractor thereof who uses a licensed vehicle in connection with the performance of the work carries and maintains, throughout the period when work is performed and until final acceptance by Buyer, Business Automobile Liability insurance covering all vehicles, whether owned, hired, rented, borrowed or otherwise, with available limits of not less than $1,000,000 per occurrence combined single limit for bodily injury and property damage.

d. Workers’ Compensation and Employer’s Liability. Throughout the period when work is performed and until final acceptance by Buyer, Seller shall, and ensure that any subcontractor thereof shall, cover or maintain insurance in accordance with the applicable laws relating to Workers’ Compensation (and Employers’ Liability with limits not less than $1,000,000 per incident) with respect to all of their respective employees working on or about Buyer’s premises. If Buyer is required by any applicable law to pay any Workers’ Compensation premiums with respect to an employee of Seller or any subcontractor, Seller shall reimburse Buyer for such payment.

e. Certificates of Insurance. Prior to commencement of the work, Seller shall provide for Buyer’s review and approval certificates of insurance reflecting full compliance with the requirements set forth in paragraphs b, c and d. Such certificates shall be kept current and in compliance throughout the period when work is being performed and until final acceptance by Buyer, and shall provide for thirty (30) days advance written notice to Buyer in the event of cancellation. Failure of Seller or any subcontractor thereof to furnish certificates of insurance or to procure and maintain the insurance required herein or failure of Buyer to request such certificates, endorsements or other proof of coverage shall not constitute a waiver of Seller’s or subcontractor’s obligations hereunder.

f. Self-Assumption. Any self-insured retention, deductibles and exclusions in coverage in the policies required under this Article shall be assumed by, for the account of and at the sole risk of Seller or the subcontractor which provides the insurance and to the extent applicable shall be paid by such Seller or subcontractor. In no event shall the liability of Seller or any subcontractor thereof be limited to the extent of any of the minimum limits of insurance required herein.

g. Protection of Property. Seller assumes, and shall ensure that all subcontractors thereof and their respective employees assume, the risk of loss or destruction of or damage to any property of such parties whether owned, hired, rented, borrowed or otherwise, brought to a facility owned or controlled by Buyer or Buyer’s customer. Seller waives, and shall ensure that any subcontractor thereof and their respective employees waive, all rights of recovery against Buyer, its subsidiaries and their respective directors, officers, employees and agents for any such loss, destruction or damage. At all times Seller shall, and ensure that any subcontractor thereof shall, use suitable precautions to prevent damage to Buyer’s property. If any such property is damaged by the fault or negligence of Seller or any subcontractor thereof, Seller shall, at no cost to Buyer, promptly and equitably reimburse Buyer for such damage or repair or otherwise make good
such property to Buyer’s satisfaction. If Seller fails to do so, Buyer may do so and recover from Seller the cost thereof.

31. ADDITIONAL CONTRACT REQUIREMENTS

a. **Scope of Services.** Seller shall furnish Services set forth in this Contract during the term of this Contract.

b. **Independent Contractor.** Seller is an independent contractor for all purposes. Seller shall have complete control over the performance of, and the details for accomplishing, the Services. In no event shall Seller or its agents, representatives or employees be deemed to be agents, representatives or employees of Buyer. Seller’s employees shall be paid exclusively by Seller for all Services performed. Seller shall comply with all requirements and obligations relating to such employees under federal, state and local law (or foreign law, if applicable). Such compliance shall include, but not be limited to laws regarding minimum wages, social security, unemployment insurance, federal and state income taxes and workers’ compensation insurance.

c. **Standards.** Seller shall assign personnel satisfactory to Buyer. Buyer may for good cause shown in Buyer’s sole determination, require Seller to withdraw the services of any person and require that Seller promptly provide replacements for such persons satisfactory to Buyer. Seller shall indemnify and hold harmless Buyer from and against any liabilities, claims, charges or suits for alleged losses, costs, damages or expenses arising from Buyer’s exercise of its rights hereunder.

d. **Overtime.** Overtime shall mean those hours worked in excess of forty (40) hours during Seller’s standard work week. All such overtime must have prior written approval of Buyer.

e. **Holidays and Vacations.** If work is performed on Buyer’s premises, Buyer shall not be obligated to make any payments to Seller for days designated by Buyer as holidays or shutdown periods, except for work specifically authorized in writing by Buyer's Authorized Procurement Representative and performed by Seller on such days.

32. GOVERNING LAW

This Contract and any disputes arising out of, or relating to, this Contract shall be governed by the laws of the State of Delaware without regard to the conflict of law rules thereof. This Contract excludes the application of the 1980 United Nations Convention on Contracts for the International Sale of Goods.

33. DISPUTES

Any dispute that arises under or is related to this Contract that cannot be settled by mutual agreement of the Parties may be decided by a court of competent jurisdiction. Pending final resolution of any dispute, Seller shall proceed with performance of this Contract according to Buyer's instructions so long as Buyer continues to pay amounts not in dispute.

34. NO WAIVER, RIGHTS AND REMEDIES

a. Any failures, delays or forbearances of either Party in insisting upon or enforcing any provisions of this Contract, or in exercising any rights or remedies under this Contract, shall not be construed as a waiver or relinquishment of any such provisions, rights or remedies; rather, the same shall remain in full force and effect.

b. Except as expressly and affirmatively disclaimed in writing in this Contract, the rights and remedies set forth herein are cumulative and in addition to any other rights or remedies that the Parties may have at law or in equity. If any provision of this Contract is or becomes void or unenforceable by law, the remainder shall be valid and enforceable. Seller acknowledges and agrees that money damages would not be an adequate remedy for any actual, anticipatory or threatened breach of this Contract by Seller with respect to its delivery of the Services to Buyer.

c. Seller agrees that Buyer approvals of Seller's technical and quality specifications, drawings, plans, procedures, reports, and other submissions shall not relieve Seller from its obligations to perform all requirements of this Contract.

d. Buyer may at any time deduct or set-off Seller's claims for money due or to become due from Buyer against any claims that Buyer has or may have arising out of this Contract or other transactions between Buyer and Seller.

35. NOTICE TO BUYER OF LABOR DISPUTES

Whenever Seller has knowledge that any actual or potential labor dispute is delaying or threatens to delay the timely performance of this Contract, Seller shall immediately give notice thereof, including all relevant information, to Buyer

36. ORDER OF PRECEDENCE

All documents and provisions in this Contract shall be read so as to be consistent to the fullest extent possible. In the event of a conflict or inconsistency between the documents or provisions as incorporated into or attached to this Contract, the documents or provisions shall prevail in the order listed below, with the first document or provision listed having the highest precedence:

37. ENTIRE AGREEMENT

This Contract, together with all purchase orders, change orders, attachments, exhibits, supplements, specifications, and other terms referenced in this Contract, contains the entire agreement of the Parties and supersedes any and all prior agreements, understandings and communications between Buyer and Seller related to the subject matter of this Contract.
