

## **Section 6 : QUALITY ASSURANCE CLAUSES / CQAR**

---

658. Tooling Inspection and Reports by Seller (10/1/96). Complete inspection of tools under this contract will be accomplished by Seller and quantitative inspection results will be recorded on a report form approved by Buyer's Tooling Inspection. Copies of the inspection report will accompany each shipment to Buyer. Buyer's Tooling Inspection will maintain surveillance of Seller's tool fabrication and inspection to verify inspection points and results of inspection.
